Principal’s News

Principals Meetings

Yesterday I attended the Principals Network meeting in Queanbeyan to find out more about the restructure of the Department of Education and Communities. Braidwood Central now joins the Queanbeyan network of schools rather than Batemans Bay. Next Monday and Tuesday I will be joining the other 229 Principals from schools that are a part of the Empowering Local Schools National Partnership. I look forward to being able to present this information to our school community on my return.

HSC continues

The HSC examinations continue this week with Maths and General Maths on Tuesday, Industrial Technology on Wednesday and Primary Industries on Thursday.

Year 12 Formal

Year 12 will celebrate the end of their schooling at their graduation formal on Friday 8th November 6.30-11.00pm at the National Theatre. Our current Year 11 students under the guidance of Mrs Alisa Stephens will be organising and hosting the evening. They have been very busy raising money and organising the menu, entertainment and decorations. Well done Year 11.

P&C Meeting

Our next P&C meeting is this week at 7:00pm in the school library. All parents welcome. This is an opportunity to support and make a contribution to your child’s school.

Grandparents Day

I am looking forward to meeting our students Grandparents and special people this Friday for our Grandparents morning tea. I know the students are very excited.

Yr 11 First Aid course

Ms Dimity Borra will be running a First Aid course for participating Year 11 students. The course will commence this Thursday 24th October with a second day Wednesday 30th October Week 4. It is great that our students have an opportunity to complete courses like these at school. Such credentials are important in the world or work after school.

“A Murder Is Announced”

Students in Year 9, 10 & 11 Drama and English will be travelling to Sydney on Wednesday to see Agatha Christie’s “A Murder Is Announced” at the Sydney Theatre. The students will be escorted by Ms Parsons and Mrs Stephens as Ms Sargeson is sick and unable to attend. The school bus will take the students to Goulburn where they will travel by train to Sydney.

Shorn Sheep

The (9/10 Agriculture class spent the day at the showground on Monday assisting Johnno Bunn shear the schools sheep flock. They were a great help and learnt many skills along the way.

Braidwood Central School is a Uniformed School

Some of the reasons why we are encouraging students to wear school uniform:

- Improves safety of students
- Less peer pressure
- Develops school spirit
- More cost effective
- Enhances focus and thus improves academic performance
- Meets OHS requirements for practical classes

If you require assistance to access a school uniform please contact me at the school.

The school uniform shop is open before and after school each Wednesday. Orders are also taken via the front office.

Mobile Phones
All students who wish to bring a mobile phone to school require permission to do so. Part of the process is to obtain a phone registration or licence which registers the phone at school. Owners of phones at school which are not registered are in breach of the school policy for mobile phones. Any student breaching the mobile phone policy, including inappropriate use, will be asked to leave the phone at home for the remainder of the calendar year.

If your child does not have their phone registered at school please obtain a form from the Front Office and agree to the appropriate use of the phone at school so the student can continue to bring their phone.

Calling for photographs and artefacts
Jill Clarke and several students are involved in a major project at the Braidwood Museum. In the coming weeks an exhibition about the three films filmed in the Braidwood area will be displayed. Jill asks if anyone in the community has photos or artefacts that could be scanned and used for the display, could you leave them at the school office.

The three films are:
‘Ned Kelly’ 1969
‘The Year My Voice Broke’ 1987
Dad and Dave: ‘On Our Selection’ 1995

Please ring the school and offer your assistance.

Primary News

Kindergarten 2014
Our planning for Kindergarten 2014 has started, so if you know of any families who have children starting school next year please let them know that we are taking enrolments now. Our transition program dates are Wednesday 13th November, Wednesday 20th November, Tuesday 26th November and Thursday 5th December.

Each session will run from 10am until 12pm. All children who are beginning Kindergarten next year are invited to attend these sessions. There will be a parent orientation session and morning tea in the library during the last session on Thursday 5th December.

Uniform awards
It is wonderful to see almost all Primary students wearing correct school uniform every day, including their sun-safe hats. Congratulations to last week’s uniform prize winners: Shania Morgan, Angus Potter, Ty Boyle and Chloe Shoemark.

Swapping toys
We have recently had a number of incidents where students have swapped and/or sold toys to other students at school. We would like to stress again that toys should only be brought to school for news with parental permission which will help avoid these problems.

Grandparents Day
Grandparents’ Day is this Friday 25th October starting at 9.15am. If you haven’t already, please return the RSVP slip or ring the school with the number of guests your children are expecting so that we can cater for morning tea.

Breakfast Club
We have been successful in our application to the Braidwood and Bungendore Community Bank for sponsorship of the Breakfast Club. This money will enable us to buy a fridge, cupboard, cutlery, crockery and food to run the Breakfast Club.

We sincerely thank the Braidwood and Bungendore Community Bank Board for this very generous sponsorship. The Breakfast Club has been set up as we have recognised that some students are coming to school without an adequate breakfast or are eating breakfast very early before catching buses, making them tired, hungry and challenged by learning expectations when they arrive in class at 9am.

We are offering a nutritional breakfast for any Primary children who need to have breakfast at school for whatever reason. It is open to all Primary students and is supervised and run by our Primary teachers and Student Learning Support Officers. The Breakfast Club operates in the Kindergarten classroom between 8.30 and 9am each school day. Students are able to have breakfast every day or just come along when they wish. Bookings are not necessary. Please notify the school in writing if you do not wish your child to eat breakfast at school.

Science Groups
Our weekly Science groups are running again this term. Each Friday morning groups of students go to different teachers where they take part in Science activities which include making and using static electricity, learning about sound, studying the solar system, building and testing bridges, testing for a dominant side and environmental science and observation.

New South Wales PSSA State Softball Championship 2013
Three Braidwood Central School students represented the South Coast Regional Team (Marlinettes) at the State Championship. They were Natasha Tisdell, Amelia Bigg and Shania Morgan.

All three girls had a fantastic experience and tried their best to make the NSW State team. The competition from the other 12 NSW regions was extremely competitive. The Championship continued for three days and all regional teams were blessed with awesome weather.

The South Coast Regional Team proudly represented the South Coast Family. The Braidwood community would have been delighted to witness our local girls playing...
competitive softball against players who were involved in weekend softball competitions.

The girls were coached by Mr Rav Reddy Parramatta’s teacher. He is also the Regional Softball Coach for the South Coast Region. There were multiple weekends and lunch breaks when the team practised and prepared for the State Championship. All the hard work paid off when the Marlinettes played the North Coast, Hunter and Riverina regions. The three girls outplayed many teams and had a superb experience at Penrith Panthers.

On Behalf of the South Coast Marlinettes, I would like to thank the Sydney West Region for hosting the Championship, Sherrin and Keith Morgan for their Assistant Coach Roles on training days, Assistant Principal at BCS Greg Clarke, Damian Bigg, Howard, Liz and Georgia Crisp for their support, the Tisdell family and Goulburn City Council (for their use of the Recreational facilities).

Year 9 Excursion to Sydney 17-19th Sept 2013
A group of keen students travelled to Sydney at the end of last term with Mrs Clarke, Mr Wall ad Mr Creamaune to spend several days in ‘The Big Smoke’ to experience all things ..........CITY.

An early start to catch the bus and train at Goulburn had the group in Central mid-morning. Thanking our lucky stars that Mr Wall was able to ‘swim’ the culvert near his home. The group were very concerned that the trip would be washed out but the weather was sensational.

The group enjoyed a walk over the Bridge, trips on trains and ferries. The group settled down well as a group and were very cooperative. Several visits to educational sites were enjoyed by all the students. The Sydney Jewish Museum, the Rocks Historical Centre and the National Maritime Museum were highlights. “Highly educational, as we went to several museums”.

The group enjoyed time at Taronga Park Zoo, Madame Tussaud’s Wax Museum and the Aquarium. More social events were enjoyed as well when the group hit ten pin bowling, Laser tag and arcade games. How many stalls are at Paddy’s Markets? “Had a good time with recreational activities such as ten pin bowling and laser tag. Sydney is a very crowded place - people everywhere!”

A special trip on the Manly ferry culminated with fish and chips…. ‘Sydney was good because a seagull stole Kelly’s burger’ and I enjoyed going to Sydney because we went on ferries and saw sea gulls racing! I wish we could have spent more time there but overall it was amazing.’

A Chinatown trip sourced some Chinese food and some interesting sights. All in all the students enjoyed their time and their behaviour was notable. They walked and walked. Some of the students learnt some hard lessons in packing for all weather, spending and budgeting and that walking is a great exercise but it is harder on cement and asphalt.

Two girls write,” Man it was fun. We did many activities including, going to the zoo. We had to go on the ferry to get there….which was quite fun. We went to the aquarium and there was a lot of cute animals there. We also went to the wax museum; I swear they were real
people. The Sydney Jewish Museum and the National Maritime Museum were quite informative. We had a great time.”

The group would like to send a special thank you to Ms Borra for getting up so early to drive us to Goulburn and to pick us up when we returned late at night. A big thank you for the teachers who spent time away from their home and families to organise and help the students enjoy a memorable time in Sydney.

Mrs Jill Clarke

What’s happening in the School Library
Starting from Friday 25th October, Week 3 at 1pm the School Library will be hosting a series of talks by different interesting people of Braidwood. Our first talk will be by Mrs Jill Clarke who will be talking about Braidwood’s Bushrangers (the Clarke Brothers).

Every week in the newsletter we will inform you as to who is speaking in the Library that week. If there is anybody outside of our school community who would like to come along and listen to the speaker they are very welcome. All you have to do is sign the visitor’s book in the Front Office and get a pass and come to the Library.

Students from Years 5/6 and all of secondary will be able to come and listen to the talks. This is not compulsory and you should only come and listen if you are able to be respectful and have a genuine interest in the topic. PBS certificates will be handed out if you have attended three of the sessions.

Secondary students are still able to participate in IPOD Wednesday. There are still places available from Week 5 onwards. Get in quick. Remember if you would like to participate in IPOD Wednesday you need to contact the Library and put your name down and follow the rules.

P&C News

Fundraising planning meeting THIS week

The P&C meets this week at 7pm on Wednesday 23rd October in the School Library. This meeting will be focusing on developing ideas to help raise funds for our national curriculum textbook target. Because of the national curriculum rolling out in 2014, the school is in desperate need of extra funds to buy new textbooks, so we are aiming to fundraise specifically for this purpose.

The P&C exists to support the school, but only a handful of parents are coming to meetings. This makes it really hard for us to organise new activities. Our meetings are informal and friendly, there is room to raise any issues you want to talk about, and we welcome every parent/carer who comes along with open arms! So, please come along to this week’s meeting with any ideas you might have to offer!

Contact the P&C

The P&C email address is bcspsandc@gmail.com or you can always contact me (Bidda Jones) directly at bidda@sharewater.net, 4842 7189 or 0422 542175.
