Principal’s News

Welcome Back
I would like to welcome back all members of the Braidwood Central school community. I hope that everyone had a peaceful and relaxing break. Term two is a shorter term, only nine weeks. It is, however, a very busy term, especially for Year 12 students who have only two terms to go before their HSC.

ANZAC Day
I would like to thank all of the teachers, support staff and students that participated in the ANZAC Day march. Mrs Richardson organised the students, wreaths and banners very efficiently, ensuring that BCS was well represented on the day. I would especially thank our Primary students who represented the school with pride as did our Captains. I would also like to recognise the efforts of Helen De Costa who spoke eloquently during the service.

Bulletin from the School Police Liaison Officer
I would ask that parents and caregivers be sure to read the bulletin from Senior Constable Lanyon in this newsletter. Constable Lanyon covers a number of issues, including playground behaviour and fighting from the perspective of the police and the law.

Vaccinations
Year 7 will receive their HPV injections on Tuesday May 7th. Year 9 boys will receive their HPV injection on the same day. Could parents and caregivers please ensure that permission notes are returned before the 7th.

Athletics Carnival
The Braidwood Central School athletics carnival will be held (weather permitting) on Thursday May 9th at the recreation ground. The athletics carnival is a day that everyone enjoys. Parents and caregivers are welcome to drop by.

Please note: the deadline for newsletter submissions is 3.10pm Friday. Submissions received during the school week will go in the following week’s newsletter. All submissions should be submitted electronically to the email address below.

If you would like to receive the Braidwood Central School newsletter by email, please contact us at braidwood-c.school@det.nsw.edu.au

The newsletter is also available to download each week from our school website.

Primary Raffle

To help with the rising costs of excursions the Primary staff are running a raffle. We have been very fortunate to have a number of fantastic prizes donated. These include a trailer load of firewood donated by Steve and Claire Shea, an ACT Brumbies football jumper donated by Ravin Reddy, a basket of Nutrimetics donated by Claire Shea, a sterling silver pendant and chain donated by Rick Davis and a felt garment donated by Lis Mertens. There is also a prize for the family which sells the most tickets. This prize will be a family movie pass and it has been donated by the Primary teachers and Support staff. Books of 10 tickets have been sent home with all Primary message-takers and should be returned to the front office when sold. More ticket books are available from the front office. Tickets are $1 each and can also be purchased at the front office.

Athletics Carnival

All Primary students will participate in the whole school Athletics carnival on Thursday 9th May at the Braidwood Recreation Ground. Students turning 8 or older this year will take part in track and field events with Primary and Secondary students. Students turning 5, 6 or 7 this year will take part in novelty, field and track events in a modified form, away from the older students but at the same venue. A more detailed program will be sent home next week. A separate permission note is not needed unless you have not yet returned the Local Area Excursion permission note.

P&C News

Canteen News

This is a rather belated public acknowledgement by the BCS P&C of the work of our long-standing Canteen Manager, Susan Crisp. With her youngest son completing Year 12 in 2012 Susan decided it was time to have a change. She was our dedicated and efficient Canteen Manager for many years, working not only in her paid role, but also volunteering her own time right up until her resignation, following a trial period to see what life was like away from Canteen. Susan had a very easy-going manner with volunteers who, according to her, could do no wrong. She was able to manage the delicate balance between following government regulations,
catering to student tastes, including provision of nutritious meal options, in the process saving parents' time, and making money. Susan ensured that the P&C, through a profitable Canteen, has been able to contribute many thousands of dollars worth of resources to the School. The P&C and the whole school community says Thank You Susan and we wish you well in your new endeavours.

As I look back over the 1st school term of 2013, I am troubled by the amount of times I've heard about students threatening each other and engaging in physical fights on school grounds. I think there is some confusion amongst students and parents about the definition of terms such as ‘assault’, ‘threat’, ‘bullying’ and ‘self defence’. Unfortunately, this confusion is resulting in students being injured, suspended from school and getting into trouble with Police.

I have often heard parents telling their children to ‘stand up to bullies’, to ‘not get pushed around’. I’ve even been told by parents that they have given their son or daughter ‘permission’ to hit a kid who is ‘picking on them’ or who has ‘hit them first’. This attitude really concerns me, because if your child does act on your advice, they are more than likely breaking the law, and will have to deal with such consequences as being charged or given a youth caution and being suspended from school. Not to mention any physical and or psychological injuries they may inflict upon their victim.

The word ‘Assault’ is commonly used and creates a picture in your mind of a person striking another person physically, whether with a hand, a fist or an implement of some kind. An assault is any act where a person intentionally or recklessly causes another person to fear immediate and unlawful violence. Under this definition, you don’t actually have to strike (punch, hit, kick etc) a person to be guilty of assault – just threatening to may be enough.

Students will often say that they have struck someone in ‘self-defence’, because ‘he hit me first!’, or ‘she started it!’ Basically speaking, the term ‘Self-defence’ only explains a person’s conduct if the person believes their conduct is necessary to defend themselves in order to prevent or stop an assault, and there is no other way of stopping it. This means, that if you are able to walk or run away from the situation, or talk your way out of trouble, there is no need to use physical force to stop it. If, in this situation you do resort to using force, you must only use as much force as is necessary to stop the attack. Any force used by you above what is reasonable, would be considered to be assault, and not self-defence, and you may be charged for your actions regardless of who threw the first punch.

Another point I want you to be aware of is that offences which involve violence, stalking, harassment or intimidation of a student or member of staff on school grounds, carry a harsher penalty than if they had occurred off school grounds. The reason for this is that we need schools to be safe places – students have a right to come to school without the fear of being assaulted and Teachers and school staff have a right to a safe work environment. A person found guilty of a common assault, (which is the lowest form of assault) would be liable to 5 years imprisonment if the assault were to occur on school grounds. This means the penalty is increased by 3 years because the offence occurred on school grounds. So, if you needed any incentive to keep violence and intimidation out of schools, there you have it!

National Assessment Program – Literacy and Numeracy 2013
LETTER TO PARENTS

In May 2013 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by all students in Years 3, 5, 7 and 9 in all government and non-government schools. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy learning of students in all Australian schools.

The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child's level of achievement. Each student's level of achievement will be reported against the national minimum standard.

Background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student's right to privacy is maintained.

The tests will be conducted across Australia for all students from 14-16 May 2013.

In the Numeracy tests students do not require any measuring tools such as rulers or protractors. In Years 7 and 9 there will be two Numeracy tests: one where a calculator is allowed and one where calculators are not to be used. For the calculator test, the student should use the calculator that they currently use at school.

Friday 17 May – A ‘catch-up’ day is scheduled for students who missed a test or were absent on a test day.

Students may be considered for exemption from the tests if:
- they are newly arrived in Australia (less than one year before the test) and with a language background other than English, or
- they have significant intellectual disability and/or significant co-existing conditions which severely limit their capacity to participate in the tests.

All other students are expected to participate in the tests. Disability adjustments which reflect the student's normal level of support in the classroom may be provided. Large print, Braille and black and white versions of the tests are available for students with vision impairment.

Access to disability adjustments or exemption from the tests must be discussed with the school Principal, and a parent or carer consent form must be signed. Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents and carers in consultation with the Principal. If you wish to withdraw your child from the tests you must sign a parent/carer consent form. Consent forms are available at your child’s school.

Please make an appointment with the school Principal if you would like further information about your child’s participation in NAPLAN.

Additional information about NAPLAN can be found at:

SNOWY HYDRO SOUTHCARE FUNDRAISER

Snowy Hydro Southcare commenced operations in October, 1998 and to date the highly trained flight and medical crews have performed almost 5,000 aeromedical and rescue missions throughout the southern region of NSW and the ACT. A familiar visitor to our town and to the skyes over Braidwood, Snowy Hydro Southcare have carried out 21 missions in the eastern rural and Kings Highway area of operations for the financial year ending June 2012. This equates to 5% of the year's mission total. A number of people in our community have been beneficiaries of the services provided by Snowy Hydro Southcare. With missions on the rise and ever increasing costs, support in raising vital funds to keep the helicopter in the air and saving lives in our community is greatly needed.

The Lodge of Truth Braidwood and Snowy Hydro Southcare would like to invite you to support the Supper Dance and Fundraising Auction to be held at Garan Vale Woolshed on Saturday May 11 commencing at 8pm. Well known Canberra entertainer Tony Haley will be performing. Tony is regarded as Australia's leading performer of the songs of Dean Martin and Bobby Darrin, a quality singer who can deliver the songs of Frank Sinatra and Elvis Presley with equal distinction. A fine supper will be served followed by the fundraising auction. Some items already donated for auction include a hand made quilt by The Quilters in the Mist, a bottle of Penfolds Grange Hermitage, three 8x4 bales of hay, hair wash and style with Bec Thistleton to name a few. Don't miss out, shine up your dancing shoes, get a group together and book a table, tickets are $30 per person BYOG and are available at the Braidwood Bendigo Bank. Your support no matter how big or small is significant and will make a difference in someone else's life.
SNOWY HYDRO SOUTHCARE FUNDRAISER

The Snowy Hydro Southcare Fundraiser continues to ramp up, but your support is needed to make the 'Supper Dance and Auction' at Garan Vale Woolshed a fitting success to assist with funding to this important Aero Medical and Rescue Service to our community.

Only last weekend we had a visit from the Southcare helicopter to transport our Braidwood Times editor's son, Archie Rae, to Canberra hospital with a suspected spinal injury. This further highlights how vitally important this service is to our community. A raffle has been running in town over the last few weeks and is to be drawn at the Supper Dance and Auction, commencing 8pm at Garan Vale Woolshed Saturday May 11th. The 1st prize is a 6 pack of Scotch Whiskey or a ute load of split firewood, 2nd prize a $100 Bunnings gift voucher and 3rd prize an Auto Pro Car Care Pack. We would like to thank our sponsors, Braidwood Royal Hotel, Braidwood IGA, Batemans Bay Bayview Hotel, Tarago Loaded Dog Hotel and Batemans Bay Auto Pro.

The Supper Dance and Auction has many great items which have been donated for auction and prizes for the evening:-
