ICAS Science Papers

The ICAS test papers will continue on Wednesday June 5th with the Science test being sat by those BCS students who have applied. ICAS allows a nationwide comparison with how a student is performing against the rest of the student population.

Commercial Kitchen Opening

The commercial kitchen that has been recently installed in the gymnasium at BCS will be officially opened on Friday June 7th at 5:30 pm. Hospitality students led by teacher Ms Lisa Maddern will be serving canapés, coffee and non-alcoholic refreshments.

The kitchen will add a new dimension to BCS. It will allow the full hospitality course to be taught to BCS students. The gymnasium is also the area evacuation centre. The kitchen will allow the serving of large quantities of hot food and beverages should an emergency such as the fires at Mulloon occur again.

I would like to thank the Bendigo Bank, BCS P&C, the Gymnasium management committee and the Veolia Mulwaree Trust for their wonderful financial contribution to make the kitchen possible. In particular, I would thank Mr Mick Wall for his tireless efforts to ensure that the project left the drawing board to become reality. At last we can say that our gymnasium is complete.

Talking Smoking

Talking smoking tip number two is attached to this newsletter. It suggests that talking to children about the dangers of smoking from an early age can be understood by even young children.

Please note: the deadline for newsletter submissions is 3.10pm Friday. Submissions received during the school week will go in the following week’s newsletter. All submissions should be submitted electronically to the email address below.

If you would like to receive the Braidwood Central School newsletter by email, please contact us at braidwood-c.school@det.nsw.edu.au

Science display
All Primary classes visited the Secondary Science rooms last Friday to have a go at the wonderful marble roller coasters the Secondary Science students have made. The Secondary students worked as operators and did a great job showing the younger students how the roller coasters worked.
Uniform Awards
Last week’s uniform award winners were: Fletcher Stanley, Leroy Campbell-Davy, Callaum Doyle and James Flack. It is wonderful to see our students proudly wearing their correct school uniform each day.

Secondary News

- Zone Athletics has changed. It will be held at Moruya High School on Friday 21st June. Permission notes and Medical Forms (unless already submitted in 2013) are available for those eligible. The Bus will cost $10 and be on a ‘first in, first served’ basis to a maximum of 28 passengers.
- Central Schools Netball, Rugby League and Touch Football have been postponed for 2013. Unfortunately all of the Gala Days in these sports in our Southern CS Area will take place in Leeton this year. The travel hours and expense make it impossible for us to compete. This may change next year.
- NRL Small Schools’ Rugby League K/O in Cooma on Wednesday 19th June if we can get the numbers for a 13’s, 16’s and Opens’ team. More information will be available.

Tips for Talking Smoking at Home #2

Communication between parents and children is critical in helping to arm kids to make healthy choices. Parents who begin early – and keep renewing the conversation with their kids about the dangers of tobacco and the ads their kids see every day – are more likely to arm their kids against the dangers of tobacco later. Each week, we’ll bring you a tip to help you talk about smoking with your children.

It's important to keep talking to kids about the dangers of smoking over the years.

Even the youngest child can understand that smoking is bad for the body.

For support to quit smoking, call the Quitline on 13 78 48.
