**Principal's News**

**Welcome Back**
I would like to welcome all members of the school community back for Term Three 2013. I trust that everyone had a relaxing and energising break as we settle into the busy schedule ahead for Term Three. Term Three is the final term of study for Year 12 before they commence their HSC exams. I would urge that they put in a last big effort as they approach the examinations ahead of them and take every opportunity to seek help and support from teaching staff.

**Changes Due to Mrs Richardson’s Retirement**
Mr Peter Neilsen is now the substantive Deputy Principal at Braidwood Central School. We have been fortunate to have two DP’s in the past but we are, in fact, entitled only to one Deputy. This change will impact in a number of ways. The school executive will be discussing a rearrangement of duties amongst themselves and teaching staff in the coming weeks.

It is important to note that any matters regarding welfare are now to be addressed to Mr Neilsen or myself as well as those regarding teaching and learning.

**Debating Success**
Congratulations to all of the debating teams who have competed really hard in past weeks against a variety of schools. I am happy to be able to announce that one of our Year 9/10 teams has won the zone final and will progress to the Regional finals. Likewise, one of our 5/6 debating teams has also won their zone final and progressed to the Regional finals. A full account is given later in the newsletter but I would like to congratulate all of those involved for a wonderful performance.

---

**Thank you BCS**

Thank you to all students and staff who made my last days at BCS so memorable. Braidwood Central School is a very special place. It offers all members of its community opportunities, support and appreciation. I have experienced all of these over the years and am enriched as a result. Thank you for the surprise assembly. I have hung my collage on the wall, enjoyed a cuppa from my “have a great day mug” and will wear my pendant with pride and many happy memories. I am in the process of making a special garden for the lovely metal sculpture so that I can always see it from the window.

I wish each and everyone of you success and happiness in the future and look forward to watching Braidwood Central School continue to thrive and prosper and serve our community in the unique way it has always done.

Ro Richardson
BCS Forum on Community Engagement

I would like to remind the BCS school community that on Sunday August 4th a forum on community engagement will be held at BCS. The initiative is part of the Empowering Local Schools Federal Partnership. The P&C and school staff are hoping to discuss with parents, carers and community members how to better inform and engage with the community.

The issue is not about financial support of our school. Braidwood has always been very supportive of the school in terms of financial support. Rather, we want to explore what can be done to keep parents as informed as possible about what is our core business, the teaching and learning that takes place in our school. There are many parents, caregivers and community members with special skills in our community. How do we involve such people in the curriculum? How can parents become more involved in the education of their child?

Research makes it abundantly clear that, where parents are fully engaged and aware of the activities taking place in a school, student results and happiness increase. The forum will run from 10:00 AM to 3:00 PM. I would urge you to attend and take part. Please let the school office know if you do intend to come as lunch will be provided on the day.

Deputy News

Welcome back to Term 3. I hope that all our students had a safe and relaxing holiday. I would like to acknowledge the contribution and support of BCS from Mrs Richardson. With Mrs Richardson’s retirement I will be the sole Deputy Principal at BCS, Kinder-Year 12. Please do not hesitate to contact me if you have any student welfare and/or teacher and learning concerns regarding your children.

This term will again be a busy term. This is an important term for Year 12 with their preparation for the HSC. It is important for Year 12 students to attend school until there final day on Friday 20th September.

Week 3 this term is Public Education Week with the school highlighting the great things at BCS through our BCS Celebrates on Thursday 1st August. I extend an invitation to all our families to come along to this celebration.

On Wednesday 31st July we will be conducting information sessions for 2014 enrolments for all years, but in particular Kinder and Year 7. The Kinder information session will be 3.45pm in the Kinder room.

The Year 7 session will be at 6pm in the school Library. This meeting will be followed by the P&C Meeting for family members who wish to stay on and meet other parents who have their children enrolled at our school.

Braidwood Central School is a uniformed school. During the colder months sometimes students are tempted to wear jumpers etc that are not school uniform. I would encourage families to support the school by sending their children in full school uniform each day.

Primary

Silver excursion
Unfortunately our Primary silver excursion to the Bakery had to be postponed last term due to the wet weather. The excursion will now be held next week on Wednesday 24th July. Primary students who have received ten or more white or green card awards this year will be invited to participate. A permission note will not be needed as the excursion is covered by our Local Area Excursion note.

Playground
The infants equipment has been fully fenced to make it a safer area for our students to play in. It has also reduced the space so Year Two students will now play on the Police Paddock playground, rather than moving to the infants area for the second half of lunch.

The new fence will also help ensure that students always have direct teacher or parent supervision whilst they are using the playground equipment. Students waiting to be picked up after school will be asked to stay off the equipment until their parent or carer arrives.

From this week, Year Six students will have the option of playing on the High School oval at lunch times. This will give them more space for ball games and also assist in their transition into High School next year. They will be escorted to and from the High School area and will be fully supervised by the teachers on playground duty. Inappropriate behaviour will result in this privilege being withdrawn.

Secondary & Primary News

Success for Braidwood Central Primary and Secondary Debating Teams
Over three days during the last two weeks of last term, our two Year 5/6 and two Year 9/10 debating teams either hosted or travelled to compete against five other schools in this zone – Crookwell, Exeter, Burrawang, Bomaderry and Nowra. These events are a wonderful opportunity for students to interact with, and test themselves against, students from other schools and receive advice and feedback from the experienced adjudicators who oversee the competition.

The less experienced Year 9/10 team, the Reds (Isobel Merriman, Rita Marshall, Isabella Hart, Lily Munnings and Keaka Dennis), continued to show its improving skills but was beaten in two close debates against other schools. Our other Year 9/10 team, the Blues (Inga Neilsen, Jay Davies, Mya Nipperess, Cameron Pont and Yasmeen Jebra), won all its three debates and is the zone winner for 2013 and will compete in the Regional Finals series at Batemans Bay towards the end of August.

The adjudicators commented on the very high standard of skill and thought shown by this team, a standard equal to that of many Year 11/12 teams.

The Primary debaters, who watched some of the Year 9/10 competition and were inspired by the skills of the older students, have done just as well in their own competition. Both of the Year 5/6 teams – the Cotties (Jessica Bell, Joanna O’Connell, Ashley Duffus, Olyssa Cuevas and Lily Morris) and the Frankies (Lucy Baumann-Lionet, Sophie Cargill, Aneka Jones and Ruby Gurling) – won every debate against their rival schools.

In the home debate the Frankies were slightly stronger and therefore are the zone winners of this competition. They, too, will compete in their age group at the Regional Finals at Batemans Bay. The standard of the two primary teams was exceptionally high and one of the adjudicators commented that they were equal to anything she has seen in the Sydney competition.

Secondary Sport Report
Late last term we competed at the Eurobodalla Zone Athletics Carnival in Moruya, a very pleasant change to the usual venue in Cooma! Although sickness dwindled our numbers, the team of 26 did the school and themselves proud in their athletic efforts and behaviour the whole day. We all appreciated the support and help of the many parents and friends who attended.

Congratulations to the following students who are eligible to participate in the South Coast Area Athletics Carnival to be held at Bruce Stadium on Friday 2nd August 2013.

Learn to code like a ninja.

(Python challenge time)

What's the Challenge?

The Challenge is a programming competition for secondary school students. It’s been running in Australia for the last 8 years, and this year it’s open to everyone in High School.

The Challenge is unlike any other programming competition. We’ll teach you how to program as we go along, rather than expecting you to be an expert already. If you’re a seasoned coder, we have something for you too - the problems range from relatively simple to mind-bendingly hard.

For 5 weeks starting on Monday 5th August, 2013 and running until Sunday 8th September, 2013, we will release a set of notes containing the information you will need to complete the week’s programming challenges.

Why should I learn to code?

Programming (also known as coding) is how sites like Facebook and apps like Instagram are made. Knowing how to program is like having a computing super power.

Steve Jobs, Mark Zuckerberg and Bill Gates have all said that students should learn how to code. It’s a skill that not only teaches you how to work with computers, but also teaches you how to think about solving problems with systems.

The NCSS Challenge teaches students to code in Python 3.3. Python is an easy to learn scripting language used for many different purposes such as web applications and scientific research. Companies like Google, Facebook and Reddit all use Python in their infrastructure and web services.

If you want to participate in this year’s challenge please fill in the permission slip and return to the front office. If you need a bit more information please contact Alice Stacewicz.

Programmers wear hoodies to work.

You also receive a $3.00 voucher for your child to use at the canteen; this is just a little thank you for giving up your precious time. If you are unable to volunteer we would appreciate donations of **freshly baked cakes or slices** that we can sell at recess and lunch. If you even have some fresh eggs or a pumpkin from your veggie patch we would appreciate any donations.

Tips for Talking Smoking at Home #6

Communication between parents and children is critical in helping to arm kids to make healthy choices. Parents who begin early — and keep renewing the conversation with their kids about the dangers of tobacco and the ads their kids see every day — are more likely to arm their kids against the dangers of tobacco later. Each week, we’ll bring you a tip to help you talk about smoking with your children.

Discuss ways to respond to peer pressure to smoke. Your child may feel confident simply saying "No."

Offer alternative responses such as "It will make my clothes and breath smell bad" or "I hate the way it makes me look."

For support to quit smoking, call the Quitline on 13 78 48.
