Principal’s News

HSC Begins

Good luck to all of our Year 12 students who commenced their HSC exams today in the School Gymnasium. The HSC exams will run until Wednesday 5th November. The School and the P&C will host the Year 12 formal at Garanvale Function Centre on Friday 14th November. Year 12 and their families are reminded that tickets are currently on sale from the front office and need to be finalised this week to allow for additional guests to be invited as well as finalising catering arrangements.

Students Art Successes

The Moran Contemporary Photographic Prizes promote Australian Contemporary Photography. This year’s theme was Contemporary Life in Australia, with an emphasis on day to day life. Congratulations to Forbes Corby whose landscape above has been selected as a semi-finalist in the Secondary 11-12 category.

Congratulations to Danielle McMahon pictured above on having her piece "Herb" exhibited in the Clearwater Sculpture Prize. Danielle produced “Herb” as a part of the school welding program run by Suzie Bleach and Andy Townsend. Herb was exhibited at the Queanbeyan foreshore over the weekend.

The next P&C Meeting will be Monday 20th October at 7pm in the School Library.
Attendance
The school is working very hard to improve the attendance rates of all of our students. There is a clear correlation between attending school and improved continuity and outcomes for students. One of the issues regarding attendance is arriving late to school on a regular basis. If you arrive late to school you must report to the front office to receive a late note and be recorded. The student will then be asked to report to the Deputy Principal for an explanation and for monitoring of regular lateness. I ask for your support in ensuring your children arrive at school on time.

Greenlight Youth Driver Education
On Friday 17th October Year 11 and some Year 10 students will be participating in the Greenlight Youth Driver Education course. The course will be run at school and will include sessions on driver psychology as well as using driving simulators. The programs have been made available by the support of the Braidwood and Bungendore Community Banks.

Primary Gala Day- Boorowa
On Friday 17th October Primary teams in netball and touch football will be travelling to Boorowa with Mr Greg Clarke and Mrs Sarah Sweeney to compete in a netball and touch football carnival. We wish them all the best for an enjoyable day.

Year 10 Formal
On Saturday 18th October Year 10 students and some parents have organised a formal function at the Braidwood Services Club. I wish them all the best for a successful night but do need to highlight that this is not an official school function and as such no staff will be in attendance. With the legal school leaving age being 17 the school does not endorse a Year 10 formal. I have been made aware that some parents will be in attendance for supervision.

School Plan Community Feedback
Thank you to the members of the school community who returned the “Have Your Say” survey. Your feedback will be invaluable as we work towards developing the schools vision and 2015-17 school plan.

Parents Entering School Grounds
There are many reasons why parents enter the school during the school day maybe it is to drop off something their child has forgotten or maybe it is to volunteer at the school or to attend a meeting with a child’s teacher. This is a friendly reminder that if parents/carers are coming onto school grounds during the school day the schools requires that all visitors sign into the school at the front office. All visitors will be issued with a visitor’s pass that must be visible. If there is an issue parents are reminded that they should make an appointment to talk to the Principal in the first instance.

Please do not hesitate to contact me if you wish to discuss any aspects of your child’s education

Deputy News
Attendance and Lateness to School
As mentioned in the newsletter last term the school has recently completed an evaluation of our attendance procedures. We are trialling new systems to ensure that our records are more accurate and also that we promote attendance throughout the school.

Late Check in Procedure
One of our new procedures requires late students to check in with the Deputy once they have signed in at the front window. The aim of this procedure is not to punish or reprimand students but rather to reinforce that lateness has a consequence. I use this time with students to ascertain why they are late and reinforce that mornings are the time when key messages for the day are given to students.

For our primary students, morning lessons often focus heavily on literacy and numeracy, another reason why it is important for students to get to school on time. We are trying to focus on students who arrive late regularly due to a lack of organisation and encourage them to build new habits that will lead to better attendance.

I would also like to remind parents that students who arrive late without a valid reason have these times put down as unexplained absences. These will appear on school reports. We are fully aware that mornings are a great time to schedule appointments for medical and dental services; if you need to do this please provide your child with a note so that a reason can be placed next to their absence.

Attendance Percentage
Another attendance strategy that we are trialling this term is to issue all students in the secondary school with their personalised attendance data. This is a percentage that reflects the number of days that the student has been at school. Year advisers have spoken to their year groups about the data and asked students to paste their slip into their diary. We encourage students to either:

a) Maintain their attendance if at a high level

b) Or seek to make a realistic improvement

We do not expect students to have a perfect attendance record and we encourage you to keep your child at home.

http://www.braidwood-c.schools.nsw.edu.au
13th October 2014
if they unwell. Our aim in providing this data is for students to have a clear indication of what their attendance level is and initiate discussion on a range of issues related to attendance.

**Awarding Attendance**
Later this term the school will be celebrating student achievements with a number of recognition events. At the presentation assemblies we will be rewarding students who have good attendance or whose attendance has improved.

Good attendance will be recognised at three different levels:

- Attendance between 98 to 100%
- Attendance between 95 to 98%
- Attendance between 90 to 94%

These levels have been chosen as they correspond to state averages for attendance. The average attendance across the state in primary schools in 2013 was 94.7 and in secondary school it was 89.9.

Again I would like to emphasise that if your child is unwell or if you have family commitments the school is understanding of this; we expect that most students will need to miss some schooling. We hope that our focus on attendance reduces unnecessary absences and unexplained absences.

If you have any concerns about your child’s attendance or the procedures used to monitor attendance please contact the school.

**Social Skills Program**
It is a normal part of development for children to experience difficulties with peer relationships. As a school our role is to provide students with a range of strategies that will help them to negotiate these difficulties and develop healthy relationships.

This term we will be holding a social skills program for girls in Scarecrows, Yabbies and Clydesdales. The focus of the day will be on establishing expectations about social behaviour, setting rules to guide behaviour and practising strategies that can be employed when conflicts and disagreements occur. Some of the concepts that will be covered on the day include using empathy, using positive language and focusing on positive solutions.

We are also planning on holding a parent information session after school to explain to parents in more detail the components of the program and how it fits with this particular stage of child development. We are aware that some parents are concerned about peer relationships and interactions and this will be a great opportunity for us to clarify the difference between ‘normal’ peer conflicts and bullying. We will also be able to provide parents with a range of strategies that may help your child negotiate the challenges they face at this stage. More information about the program and parent afternoon will be provided in next week’s newsletter.

**Sun Safety**
As we move into summer it is a good time to review your child’s readiness for coping with the warmer weather. All students should bring a hat to school. In primary school students will not be permitted to play if they are not wearing their hat. Secondary students are encouraged to wear a hat and use sunscreen when participating in outdoor activities such as agriculture and sport.

We encourage all students to bring water to school to drink, in addition to normal drinks such as juices and flavoured milks. Students are permitted to take water to class but other drinks are only to be consumed at recess and lunchtime.

### Primary News

#### Student of the Week

These students are nominated by the Assistant Principals for consistently displaying our PBS values of consideration, responsibility and enthusiasm in the playground and classroom. Congratulations to these students:

- Peaches: Oscar Stuart
- Apples: Jack Appleby
- Kidmans: Romany Gleeson
- Scarecrows: Lara Jonas
- Yabbies: Laynee Saunders
- Clydesdales: Annabel Flack
- Drovers: Rosa Harrex

#### Grandparents Day

Grandparents Day is on Friday 24th October. All Grandparents and other special visitors are invited to come to the school at 9.15am to visit the classrooms, watch our mini-concert in the hall and then join the staff for morning tea. Invitations will be sent home this week. If your children don’t have a grandparent who is able to attend please invite another relative, a friend or a neighbour to come along as a fill-in, as all students love to have a visitor on these special days.

#### Assembly
As the Gymnastics program has finished for the year assemblies will once again be held on **Thursdays at 11.30am**. Please come along this Thursday to support our students.

**No Hat, No Play Policy**
At BCS our “No Hat No Play” policy is enforced during Terms 1 and 4. Every child must have a broad-brimmed hat, preferably blue, to take part in outdoor activities. During outside sport and PE lessons, students without appropriate hats will be given alternative activities in the shade. At recess and lunch breaks children without hats will stay in shaded areas.

We understand that some students are reluctant to wear the correct type of hats because they are not fashionable, but caps and other hat styles do not offer the same protection from the sun as broad-brimmed hats. School hats can be purchased from the front office for $12. Thank you for your support in helping us to keep your children safe from the sun while they are at school.

**Lost property**
We have a significant number of unclaimed jumpers, jackets and hats, without names, in classrooms and in the lost property box at the front office. Please remember to label all items of clothing clearly so that they can be returned to the correct owner.

**Kindergarten 2015**
Enrolments are now being taken for Kindergarten 2015. If you or someone you know has a child starting Kindergarten next year please see the front office for an enrolment form and information pack. There is also information about starting school available on our website: [http://www.braidwood-c.schools.nsw.edu.au](http://www.braidwood-c.schools.nsw.edu.au)

We will be having three transition mornings and an exciting new ‘Central Stars’ Expo Day next term. ‘Central Stars’ is the name we are giving to the group of students starting school next year to give them a sense of belonging to the school and the group of students they will be starting with.

The transition mornings will be held on Wednesday 12th November, Tuesday 25th November and Thursday 4th December from 10am until 12 midday.

On Wednesday 19th November we will be having the Kindergarten 2015 Central Stars Expo. This day will give enrolling students the opportunity to take advantage of some of the unique opportunities and experiences that BCS has to offer – ‘jamming’ in the Music room; making art in the Visual Arts room; cooking in the Food Technology room, Science in a Science lab and Drama and Sports in the Gym. Finally, the Central Stars, their parents and carers and staff will enjoy some light refreshments together (including those prepared by the Stars).

**Sports Events Term 4**
**Boorowa Netball & Touch Footy Carnival**
**Friday 17th October**
Notes were distributed last Thursday to all interested students for both teams. The leaving time at school is 6.00am, which is early, but we are expected to sign in at Boorowa Showground at 8.30 am. When the school receives a copy of the draw and any other information a note will be sent home this week. If any parent is willing to attend as a scorer they are most welcome, so please contact Greg Clarke or Sarah Sweeney the attending teachers.

**Learn To Swim Classes**
This important session has been booked to commence in the first week of December for all students who wish to attend. The priority goes to Year 2 students, then Year 3, then Year 4 and onwards for those students who have no skills or little confidence in the pool. The lessons will be conducted at Braidwood Pool. More information will be sent home in future weeks.

**Year 5/6 Camp – Jindabyne, September 2014**
On Wednesday 17th September, 2014, students began arriving to board the bus. The destination was Year 5/6 Camp at Jindabyne Sport and Rec Centre. Thirty-six students and 3 staff members were attending. Everyone was very excited and eagerly found their seat on the bus.

Bensley’s Buses took us and the driver’s name was Stewart. We watched ‘Over the Hedge’ on the way over and ‘Despicable Me’ on the way back. We stopped at a
park in Cooma to have a food break each way. There was some play equipment and we had fun on the slide. We also liked being on the bus and sitting and chatting with friends.

When we arrived we were excited to see such a big space with so many facilities. There were two cabins (one for boys and one for girls) and we were split into two groups for activities. The cabins were ‘self-contained’ meaning they had bathrooms inside them. The teachers had their own rooms. The cabins even had a TV in the lounge room, but we didn’t even use it much. The groups were mixed between Year 6 and Year 5.

The facilities at the centre were amazing! It is a place that local athletes use to train for trampolining and running. There was a full 400m running track. There was a basketball court, places to go walking, and an indoor sports centre. The ‘mess hall’ where we had food was sensational. We had it all to ourselves. Chefs prepared the food and it was a very high standard. We got to choose what we ate, and then we just cleaned up after ourselves. The mess hall had a big commercial kitchen. The place caters for hundreds of people at a time (for example, it gets very busy during ski season).

The instructors were terrific. They supported us to do our best. We had Trev and Kristen. On the first day, to get to know us, we did activities called Initiatives. They were about testing how well we worked as a group. We did this cool activity where we joined hands in a big circle, and one child walked along the top of our hands! Others involved big ropes and running challenges. It was great.

Between activities, or before breakfast, we had free time. We either went to the big running track (which had a football field in it), kicked the footy, ran laps, or played basketball. There was also a huge checkers board, where people who knew how to play taught the others. It was nice to have some ‘down time’ between the busy activities.

Two really challenging activities were the high ropes and rock climbing. Both encouraged us to ignore our fears and go out of our comfort zone. The high ropes were a huge, tall, set of ropes and wires that looked a bit like an Orang-utan enclosure at a zoo. You had to get hooked up with a harness, and wear a hard hat. Your partner on the ground ‘spotted’ for you as you tackled the course. They told us it was safe, but we were so nervous. Each time you got to a new section, you had to unhook and re-hook yourself on the cabling. Many of us struggled, but we all did it! It was exhilarating.

Rock climbing taught us how to be part of a belay team, to anchor the climber to the wall, and make sure they couldn’t fall. It was fun and challenging to see how high up we could get. There were handprints painted high up on the walls, and we had to try to reach one and ‘high five’ it. Three hits to the wall with your palm meant you were ready to be lowered down. As we waited in the belay team, we got a sneak peek at professional trampolinists doing aerial jumps in the section behind us.

The night games were held in a big, carpeted hall. They happened after dinner. It was so fun! One night we did heaps of games, like ‘Trevor Says’ (a version of Simon Says) – we laughed so much. One night was wholly about trying circus tricks. You go around and try a new thing at each station, such as juggling, diablo, spinning plates, and devil sticks. After games we had supper, then went to bed. The cabins were a bit cold (I suppose you’d expect that in Jindabyne), but we were warm in our sleeping bags. We didn’t sleep very well the first night (we were too excited), but we slept well the second night.
The camp cookout was a unique activity. After a short bushwalk, we arrived at a high lookout that had a view of Jindabyne Lake. After learning about how to build a fire, we had to collect the kindling, small pieces of wood, and bigger pieces. The fire needed to be hot enough to heat up granite stones, on which we would cook our sausages for lunch. We did this in small groups. It was amazing to think how much effort is needed to cook a meal without modern appliances. Around this area were lots of bushwalking spots and places to see birds.

Archery was one of our favourite activities. After arriving at the range, we were taught how to pick up the bow, load the arrow, make rabbits’ ears with two fingers, draw back (until our thumb tickled our ear), aim, and let go. Lots of us missed the target altogether, but we got heaps better at it. We had a competition to find the ‘champion’ archer in each group.

Green Machines was the best fun of all the activities – well, according to most of the students. Green machines are pedal-powered contraptions that are sort of a mix between a billy cart and a bike. Once we’d learned how to steer and pedal safely, we were encouraged to do skids, slides and other sharp turns. We played games like ten-pin sliding (trying to knock over witches hats that were laid out like bowling pins), and ‘parallel parking’. It was great to go a bit silly and show off our skills. We wore helmets and knee pads and elbow pads.

In conclusion, it was a terrific camp. The teachers said the facilities were the best that they’d seen on a camp.

Our behaviour was terrific and we always showed our BCS values of enthusiasm, responsibility, and consideration. We learned a lot about teamwork, facing fears, and having a go. We’d love to go back to Jindabyne Sport and Rec Centre.

Thanks to Mrs Sweeney and Mr Clarke for taking the students on camp. Special thanks go to Gabi Robinson, our wonderful SLSO, for coming and for being such a great help. Most importantly, thanks to all the parents and carers who paid to allow their children to have this great experience.

Homework Centre
The Homework Centre is running in the School Library on Mondays and Thursdays from 4pm-5pm.

Students can use this time to use computers, books etc for homework. Mr McClymont will be pleased to assist as necessary.

Year 7/8 Debaters are zone winners
Our Year 7/8 debating team of Jessie Kay, Ruby Gurling, Darcy Gordon and Haddie Davies have followed the example of our Year 9/10 team and won their zone competition. They will travel to Bomaderry in Week 4 to debate in the Regional Finals. Our other 7/8 team of Myrtle Wild, Amelia Bigg, Alex Foreman and Georgia Garcia also performed very well, winning two of their four zone debates. We encourage students to try debating next year. The teamwork, world knowledge, critical thinking and organisational skills involved are valuable in many other areas of school life.

P&C CANTEEN NEWS

The Sydney Markets, Eat Fresh and Win competition is now over. Thank you to everyone that entered. All 175 entries have been sent off and will be drawn on Wednesday 15th October at the Sydney Fresh Food Markets. Good luck everyone! We have a few prizes from the canteen for the students that had the most entries 1st prize Zoe Cargill 39 entries 2nd Max Bigg and Tess Gurling both with 12 entries and Arna Dixon with 9 entries. Thank you to every one for getting behind this initiative. It is a wonderful way to encourage healthy choices. It will be back again next year. We still have rings at the canteen that will be given to students that make healthy choices.

We have a new ice-cream available from the canteen starting this week. It is called Shaky Shake and will be $2.00 available at lunch time only. It is on the Healthy school Canteen amber list so will be available every day.

If you would like to help out at the canteen this term please give Heather or Maureen a call at the canteen on 48422251 or pop on in for a look around and a chat. Just a reminder that all volunteers (and visitors) must sign in at the front office on arrival, and sign out on departure.

Thank you for your ongoing support for the P&C Canteen,
