Principal’s News

New Principal
On Friday I was notified that the advertisement for the Principal position at Braidwood Central School would be withdrawn as a Principal with transfer status would be appointed to the position. Ms Nerida Mosley from Walcha Central School will be the newly appointed Principal starting at the commencement of the 2015 school year. I am sure our school community will make her feel welcome.

7&8 Debating Success
Congratulations to our Year 7/8 debating team comprising of Jessie Kay, Ruby Gurling, Darcy Gordon and Haddie Davies, who were successful last week at making the regional final. Our debaters will compete against Smiths Hill Selective High School in Wollongong for the chance to be named regional champions. If they are unsuccessful they will be runners up in the region. Either way this is a tremendous effort. They are congratulated for their commitment and leadership shown over the year.

Girl’s Day
Today girls in Years 3 to 5 were involved in a special girl’s day. The aim of the day was revolved around communication, friendship and resilience. I am sure the students got a lot out of this day.

9/10 Drama Performance
The Year 9/10 elective Drama students are busily putting the final touches to their production of The Lion The Witch and The Wardrobe. The students will have rehearsals on Wednesday before their opening performance on Friday night in the small hall. Two other performances are scheduled for Saturday at 2.30pm and 6.30pm. Bookings are available at the school office as well as at the door before the shows.

AFL Gala Day
Kinder to Year 4 will be involved in an AFL coaching day along with St Bede’s Catholic school on Thursday 6th November. Some of our Year 9 students will be assisting with the running of the day. These students have in the past received many compliments from staff and parents from both schools about their maturity and enthusiasm.

HSC concludes
This Wednesday 5th November will be the final HSC examination for the year. Congratulations to all the Year 12 students from BCS who have worked to their personal best for their exams. We will be celebrating with Year 12 and their families on Friday 14th November at Garanvale Function Centre where Year 11 students will host the Year 12 Formal. The event is being catered for by the P&C.

Many thanks to Amanda Flack and her helpers for the efforts so far. HSC results will be available for students on 17th December. If students need any assistance please do not hesitate to contact the school.

Taking Care Crossing The Road
With a lack of a pedestrian crossing on Wallace Street for the foreseeable future a reminder to parents to ensure their children are safe walking to and from school.
Students need to give way to traffic when crossing the road. The bunting around the works makes it difficult for drivers to see students waiting to cross the road.

Additionally it is not safe to cross the road on the corner of Ryrie and Wilson Street adjacent to the school’s front office. Can I make the suggestion that all students use the crossing in Wilson street in front of the school where there is staff on supervision and then cross Ryrie street further to the south of the intersection where traffic is more visible.

Thanks to Supporters
Recently local business houses were sent a letter for a donation to support our annual presentation night. Letters were sent to all business houses in which the school does business with, in an attempt to shop locally and support the Braidwood economy. I want to thank you for the huge response we received from the local community. Your support and generosity is greatly appreciated. Your support will be acknowledged in our program and power point presentation on the night. We would like to welcome you all to this special event on Thursday 11th December.

Large Enrolments
The school is currently processing enrolments received in all classes for 2015. It will look like we will have the largest Year 11 in many years as well as one of the largest Kindergartens in some time. If you have or know of a new enrolment for 2015 it would assist our planning if these forms could be completed and returned sooner rather than later, so that the school can apply for additional staff/resources this term rather than waiting until the end of the year.

Parental Concerns
Can I please encourage parents or carers to make an appointment to see me at the school if you have any concerns regarding your child’s schooling. One way to ensure that issues are addressed is by parents talking to the school. It is difficult to address issues if the school is hearing things 2nd or 3rd hand rather than from the parent that many have the concern. All issues will be addressed in a confidential manner.

Deputy News
Girls Day
This Tuesday girls in Scarecrows, Yabbies and Clydesdales will be participating in a range of activities designed to build their social skills and confidence. The activities will focus on issues such as being the centre of attention and dealing with frustrations related to peer conflicts. The girls will be taught strategies that will empower them to solve problems and communicate in a positive manner.
On Wednesday afternoon we invite the parents of girls in these classes to a brief meeting to discuss the outcomes of the day and review the issues and concerns that arise during this stage of development. We hope that you will be able to join us.

Later in the term Mr Wall will be working with our new School Captain Forbes Corby to implement a similar program for the boys in these classes. The boys will focus on issues such as respect and how to build a positive team culture. More information about this day will appear in future newsletters.

Mentoring Program
Students in Years 10 and 11 have completed several surveys in recent weeks to help us match them to a teacher mentor. The purpose of the mentoring program is to provide students with an extra level of support as they progress through their senior studies. Similar programs that have run at other schools have helped students to improve upon their anticipated ATAR results by up to 10% and we are hopeful that our program will yield similar results.

Mentors will meet with their students for about 20 minutes every week. The meetings will enable students to discuss issues such as time management, dealing with stress and maintaining a balanced lifestyle. The personalised support that students will receive allows them to raise concerns and work with their mentor to implement solutions. Mentors will be able to advise their students on how to obtain further support if it is required.
Mentors are not academic coaches and students should still see their class teacher first if they have a concern that relates to their work. Likewise, mentors do not replace the very important role carried out by our year advisors. If you have a concern about your child’s progress this should be communicated to the Head Teacher of the faculty if it is subject specific or to the Year Adviser if it is general.

If you have any questions about our mentoring program please do not hesitate to contact the school.

Texts Books
Although there are still several weeks left of the year many students will no longer require textbooks that they have been given throughout the year. We ask your assistance in helping students to locate books and return them to school when they are asked to do so. Returning books allows us to use funds to purchase new texts rather than having to buy replacement copies of existing class sets.

Students are often reluctant to bring back books that they may have had for several years or that their siblings did not return for fear of the consequences. Let me assure you that there are no penalties for returning books, even if they have been ‘missing’ for a considerable period. We are always delighted to welcome back missing texts so again if you can help your child to sort through their books and return school texts we would be extremely grateful.

Gold excursion
Students in the secondary school will have the opportunity to attend our annual gold level excursion to Jamberoo on 10th December. Students who earn 25 white merits will be invited to attend the excursion which is run at a heavily subsidised price of $10 per student. Places are limited to 28 students. We hope that you will encourage your child to keep working to the best of their ability as the year draws to a close so that they will be eligible for this exciting reward.

Kindergarten 2015
Enrolments are now being taken for Kindergarten 2015. Detailed information about our transition into school program has been included in past newsletters and sent to the Pre-School and Wallace Street Early Learning Centre (Purple House). If you know of any families with students starting school next year who may not yet have received this information please ask them to contact the school.

Our first transition morning is on next Wednesday 12th November at 10am until 12midday in the Kindergarten classroom. All children beginning school in 2015 are invited to attend. They will need to bring a hat, a drink and a snack for the morning break. Parents bringing their own children are welcome to stay for the morning or they can drop them off and pick them up at 12 midday.

The Lion, The Witch and The Wardrobe
Primary students in Years 3 to 6 have been invited to attend the dress rehearsal of the Year 9/10 production The Lion, The Witch and The Wardrobe this week. This production is based on the children’s classic written by C.S. Lewis. The school production has a violent scene where Aslan is killed but is otherwise fun and humorous and suitable for children. K-2 students who would like to see the production are able to attend either the Friday or Saturday evening or Saturday matinee performance with parents and carers. There are more details about the production, times and ticket details further on in this newsletter.

If your child is in Year 3, 4, 5 or 6 and you do not wish them to attend this production please notify their classroom teacher or the front office.

Homework Centre
The Homework Centre is running in the School Library on Mondays and Thursdays from 4pm-5pm.

Students can use this time to use computers, books etc for homework. Mr Mc Clymont will be pleased to assist as necessary.
Our Year 7/8 debating team win through to the Regional Final
Last Monday the Year 7/8 debating team from Crookwell High visited Braidwood Central to compete in the regional quarter-final against our team of Jessie Kay, Ruby Gurling, Darcy Gordon and Haddie Davies. The Braidwood team won the debate and on Wednesday travelled to Bomaderry for a semi-final against Nowra High, which they also won.

On Friday 14th November they will debate in the regional final against Smith’s Hill Selective High. In this they are following the example of our Year 9/10 team who also reached the final of their competition this year, and it is the first time a 7/8 team from Braidwood has progressed to the last stage.

The achievement is particularly admirable considering most of their competitors are from big schools with a large pool of students to draw on. To be among the final two teams of the thirty-seven that entered the competition in our region indicates how these four students are proving to be truly able and creative critical thinkers.

Debating/Public Speaking Coordinator

Claim the Date for Digger’s Day on Saturday 8th November 2014.
Apex Braidwood will host their 37th Digger’s Day as a fundraiser for the local RSL Sub-Branch and Legacy.
Traditionally Digger’s Day is held on the closest Sunday to Remembrance Day however this year the day will be held on Saturday November 8. Similar to the format from recent years, the golf will be a 3-Ball Ambrose event. Players, clubs, stores or businesses can enter a team of three or individuals can be allocated to a team on the day. All golfing abilities will be catered for on this fun day that raises money for the Braidwood RSL Sub-Branch and Legacy. Bowlers will also be catered for with a 10am start for those having a ‘roll’.

Spread the word, grab a team of three and claim 8 November 2014 as Digger’s Day. The golf will be a shotgun start 9:00am sharp. Registration from 8:00am till 8:30am with breakfast from 8:15am. $50 per person which includes golf or bowls, food and drinks.
