Friday 14th November
7/8 Regional Debating Year 12 Formal

Principal's News

New principal
I had an opportunity to speak with our newly appointed Principal Ms Nerida Mosley during the week. Ms Mosley has a raft of experience as a Principal particularly in the Central school setting. Ms Mosley will bring some great ideas and strong leadership to our school. I am very excited to be able to work with her as the Deputy Principal from 2015. Ms Mosley is planning to spend a number of days at the school in early December. I will notify the school community when these details are confirmed to give you an opportunity to meet her.

ESSA Testing
Today and tomorrow students in Year 8 will undertake the online Essential Secondary Science Assessment. This is a skills based state-wide test along the same lines as NAPLAN. We wish our students all the best. Results will be available to the students/parents and teachers later in the year.

Youth in Parliament/ Constitutional Convention - NSW Parliament House
The school community wishes Inga Neilsen all the best today as she has been selected, based on her application, to be one of 100 students from all schools public, catholic and private to participate in the Youth in Parliament Constitution Convention at NSW Parliament House. Students will work alongside other students and Politicians to argue for Constitutional recognition for Indigenous Australians. Based on her involvement today Inga is in the running to be selected to participate in the National Constitutional Convention with students from around Australia in Canberra early next year. A great achievement from our small school.

Kindergarten Transition
This Wednesday 12th November will see the first of our Kinder 2015 transition days from 10am to 12noon. This will be followed up next Wednesday 19th November with our Kinder 2015 expo from 10am to 2pm.

Year 7 Orientation Day
All students entering Year 7 in 2015 are invited to our Year 7 Orientation Day on Tuesday 2nd December. Ms Elisa Bryant Year 7 adviser 2015 will be visiting our feeder primary schools as well as BCS Year 6 in preparation for the orientation day. If you have not submitted your enrolment forms could I ask parents do so this week. If you are in Year 6 at BCS and returning to Year 7 there is no need to fill in new forms.

Debating Regional Finals
Good luck to our Year 7/8 debating team comprising Jessie Kay, Ruby Gurling, Darcy Gordon and Haddie Davies when they compete against Smiths Hill Selective High School this Friday in the Regional Debating Final. This has been a great success for you all and you should be very proud of your skills, commitment and achievement

Year 12 Formal
On Friday night 14th November our school community will come together to celebrate the end of 13 years of schooling and the completion of the Higher School Certificate with the Year 12 Formal at Garanvale Woolshed. This year the function will be catered for by the BCS P&C. Year 11 students are very excited as they have developed a terrific theme for the evening which is top secret and will spend Friday setting up the venue and preparing for what will be a terrific night.

10th November 2014
Inspire Succeed Excel
Congratulations to Shania Morgan of Year 7 and Aguiree Corowa-Swan of Year 6 who have been selected to receive a 2014 Inspire, Succeed, Excel Aboriginal Education Achievement Award at a special presentation at the Batemans Bay Soldiers club on Monday 17th November. The students, parents and special guests will be accompanied by Mr Michael Guilfoyle from the school as Relieving Aboriginal Programs Coordinator. Congratulations to these students and their families we are very proud of your achievements.

The Lion the Witch and the Wardrobe success
Congratulations to the cast and crew of the school’s production of The Lion the Witch and the Wardrobe held over the weekend. I had the pleasure of viewing Friday night’s performance. It was terrific. Well-done.

A reminder that if you have any issues regarding your child’s education please do not hesitate to contact me at the school.

Deputy News
Girls Day
Last Tuesday the girls from Scarecrow, Yabbies and Clydesdales spent the day together to work on social skills. The girls had a great time learning new things about each other as well as themselves. Some of the issues that the girls discussed included being the centre of attention, taking turns and coping with frustration. Although the Smarties challenge was the tastiest part of the day the highlight was the newspaper fashion parade. This was a great activity that encouraged the girls to use their creativity and teamwork skills.

A very big thank you to the parents who attended the parent session of the program on Wednesday afternoon. It is wonderful to have parents give their feedback and share their ideas on other things that the school can do to support students. Attached to the newsletter is the article that parents discussed on Wednesday afternoon. If you were unable to attend but would like to offer some suggestions for other social skills that can be implemented please contact Mrs Willetts.

Keep an eye out for details about the boys’ day coming soon!

Pride and Prejudice meets White Ribbon
On Wednesday afternoon the girls in Advanced English hosted an afternoon tea in the style of Jane Austen. Yasmeen Jebara, Catherine McDougall, Inga Neilsen and Cameron Pont decorated the library and dressed themselves in the Regency style in order to host the event. Teachers were invited to partake of freshly brewed tea, scones, cakes and biscuits while they discussed their favourite characters from Jane Austen’s Pride and Prejudice.

The money raised from the tea has been donated to White Ribbon, Australia’s leading organisation in stopping violence against women. Inspired by the gentlemanly Mr Darcy from Pride and Prejudice that the girls titled their tea party ‘Real Men Drink Tea’. The efforts of the girls resulted in $100 being donated to this worthwhile cause.

10C English an International Success
On Friday students from 10C English took the Yabbies on a tour of the world without even leaving the classroom. As part of their study on multiculturalism the Year 10 students needed to design a lesson that they could deliver to younger students that would help them to appreciate other cultures.

Some of the activities that Yabbies participated in included: making wontons, playing bocce, painting Japanese fans and dot painting. It is great to see secondary students using their knowledge and skills to mentor students from the primary – this is what being a central school is all about. Congratulations to 10C and Mrs Robens for a job well done.
Textbooks
Just a reminder that as the year draws to a close students will be required to return their textbooks. Please help your child to find any misplaced materials and bring them into school. It is never too late to return books – we are very happy to welcome back long lost items.

Primary News

Student of the Week
These students are nominated by the Assistant Principals for consistently displaying our PBS values of consideration, responsibility and enthusiasm in the playground and classroom. Congratulations to these students:

Peaches: Eva Deo
Apples: Lexi Dixon
Kidmans: Sarah Hewitt
Scarecrows: Jacob McKendry
Yabbies: Nelson Sargent
Clydesdales: Jacob Kiff
Drovers: Jack McGrath

Kindergarten 2015
Our first transition morning is on this Wednesday 12th November at 10am until 12midday in the Kindergarten classroom. All children beginning school in 2015 are invited to attend. They will need to bring a hat, a drink and a snack for the morning break. Parents bringing their own children are welcome to stay for the morning or they can drop them off and pick them up at 12 midday.

The Lion, The Witch and The Wardrobe
The Primary students were treated to a wonderful dress-rehearsal performance of The Lion, The Witch and The Wardrobe on Friday afternoon. A great deal of time and effort outside school hours goes into these performances and our students are very lucky to be able to see such high quality productions for free. We would like to thank Ms Bryant, the Year 9/10 drama class and students from the Yabbies for allowing us to come along to watch. Thank you also to the other staff and parents who help to make these fantastic productions possible. Well done to everyone involved.

Uniform prizes
Each week four names are drawn and if those four students are wearing full school uniform, including a hat, they receive a small prize. Congratulations to last week’s winners: Maxx Bigg, Sarah Hewitt, Matilda Jeffery and Lara Jonas.

It is wonderful to see our students proudly wearing their correct school uniform and hats each day. Don’t forget to label all items of clothing clearly.

PBS awards
Please make sure your child brings in their folders as soon as they have 5, 10 or 20 white merit cards to ensure that they receive their bronze, silver or gold awards. Plans are underway for this year’s Primary Gold Excursion so we need to have the names of all eligible students to assist with the organisation.

AFL Gala Day
K-4 students went to the Recreation Grounds last Thursday for an AFL Gala day where they practised their tackling, kicking and handball skills. Many thanks to Mr Wilson and the 9/10 students for being our coaches, Miss Hart for driving the bus and JD and Mr Clarke for organising the day. As the photos show, it was a great day enjoyed by everyone who attended.

Primary Mufti Day – Tuesday 18th November
Every year, The Children’s Hospital at Westmead cares for more than 102,000 sick children and their families. Without compassionate support from the community, schools and students the hospital simply could not fund all the projects, equipment, research and specialists that are needed for its life-saving work. Before baby Nyah was born the doctors knew that her heart needed mending. Knowing that time was of the essence, the Hospital team devised an extraordinary plan to save Nyah. A birthing theatre was set up, and Nyah became the first child to actually be born at The Children’s Hospital at Westmead. Within minutes of being born she was having major surgery. Nyah will need The Children’s Hospital at Westmead for a while yet. Over the next few years she’ll have more
procedures on her heart and she will also visit for regular check-ups. Her mum and dad are just so grateful to have their baby girl and Nyah will spend this Christmas where kids should – at home with her loving family.

The SRC have chosen to support the hospital this year by organising a mufti day. All Primary students are invited to bring a gold coin donation and come out of uniform on **Tuesday 18th November**. The money raised will be donated to the 2UE Christmas Appeal, *A gift from the heart*, for the Children's Hospital at Westmead. Donations help the hospital make sure children and babies like Nyah get urgent and lifesaving treatments.

For their donation each student will receive a heart sticker the size of Nyah's heart when she was born and a special heart message card to write a message of support. These cards will be completed at school and will be given to sick kids at the hospital this Christmas.

Please send the gold coin donation to your child’s classroom teacher on or before Tuesday 18th November.

**School Garden**

Our school has received a very generous grant of nearly $7,000 from the Braidwood Community Bank, (Bendigo Bank) for student garden projects. These funds will be used to provide raised vegetable beds for all primary and Yerrowa classes, refurbish the greenhouse (including a micro-irrigation system), install a rainwater tank to make full use of roof catchment, re-fence the vegetable garden, and design and construct an indigenous garden.

Students will also be involved in designing and running a green waste system, utilising lunch scraps etc. to make compost and feed a worm farm. We need parents and carers and other community members who would be willing to help with these building projects so that we can have the garden up and running as soon as possible.

The work will be carried out between **9am and 2pm Mondays, Tuesdays and Wednesdays**. If you are able to help out please contact the front office. A weekend working bee may be organised at a later date if needed.

**The Lion, The Witch And The Wardrobe**

This past weekend, students in Year 9/10 Drama and 'YABBIES' students, performed their own re-versioning of C.S.Lewis' classic tale 'The Lion, The Witch and The Wardrobe'. Their performance was youthful, fun and gave everyone a few good belly laughs. At Braidwood Central School we are incredibly lucky to be able to provide students with these opportunities to perform.

2014 has been a four out of four year, each production has been well supported by our community and enabled our children to shine. 'Peter Pan' was outstanding, with fifty young students in Years 3 - 4 taking to the stage. 'Medea' was hauntingly beautiful, as four incredible young women took us on a tragic journey. 'The Wizard of Oz' was the epitome of community, as everyone came on board to make the production shine, and most recently, 'The Lion, The Witch and The Wardrobe' has given us a "laugh out loud" end to the year's performances.

As a school, we are incredibly proud of our students and we recognise that they are amazingly talented. Therefore, we have decided to use a percentage of the profits from this end of year production to grant a Drama Scholarship. This scholarship will be granted to a student moving from Year 10 Drama into Year 11 Drama. The aim is to fund the further development of our students through sending them to a 'Summer holiday course' run by Sydney’s 'National Institute of Dramatic Arts' (NIDA).

This scholarship was dependent upon the community support received during our showing of 'The Lion, The Witch and The Wardrobe'. Therefore, I am proud to announce, with the incredible support we received over the weekend, this year we will be presenting the first
(and hopefully annual) 'Thespian Scholarship'; granting one of our Year 10 Drama students the opportunity to attend a holiday course of their own choosing, covering the cost of tuition. This award will be presented at our end of year awards evening and each student continuing on has been given the opportunity to present an application for consideration. The recipient of this award will be decided by the following panel: Ms Vanessa Willets, Ms Trish Sargeson, Ms Emma Munnings and Miss Elisa Bryant.

This is a very special and unique opportunity and we are pleased to be able to offer it to our students going onto senior study.

Year 10 Work Experience Preparation/Development Day
Thursday 20th November 2014
All Year 10 Students will undertake a development day in preparation for their week of Work Experience. This will be an interactive day held in the Library with Ms Jo Parsons and Mrs Sair Gordon. Topics covered will include personal presentation, professional courtesy, communication skills, rights and responsibilities, goals and career aspirations and exploring professional use of online social media such as Facebook, Twitter and LinkedIn. Please bring pen and paper. For any enquiries please contact Jo Parsons on 4842 2249.

Homework Centre
The Homework Centre is running in the School Library on Mondays and Thursdays from 4pm-5pm.

Students can use this time to use computers, books etc for homework. Mr McClymont will be pleased to assist as necessary.

Primary and Secondary News
Live Broadcast Of Debating State Final
Last Friday twenty students from Years 5, 6, 7, 8, 9 and 10 gathered in the Tiered Learning Space at BCS to watch the State Final of the Premier’s Debating Challenge for Years 9 and 10. Broadcasting the final live is a new initiative of the Arts Unit of the Department of Education, and interested schools were able to register to watch so students could learn from the highest level of the competition. Braidwood Central had added interest in the final because the Smith’s Hill team that defeated our own Year 10 team in the Regional Final was debating against Manly, a team coached by James Smith who visited our school early this year to help develop these skills in our students. I was delighted by the degree of engagement of our group, many of the students saying how inspired they were by the quality of the debate. The Manly team won what was indeed a very high standard, close debate.

P&C News
Appointment of new Principal
As you will have read last week, instead of holding a merit selection panel the Department of Education has appointed Ms Nerida Mosely as the new Principal of BCS, commencing at the start of 2015. Ms Mosely comes to us from Walcha Central School in New England. While the P&C was disappointed not to be able to have input into the appointment, we very much welcome Ms Mosely and look forward to working with her to help continue to make BCS the best school it can be.

Ms Mosely will be visiting the school in Week 9 and we are hoping to be able to arrange the next P&C meeting around this visit to allow the school community to meet our new Principal. Further news will be provided in next week’s Newsletter.

Catering for Carols by Candlelight
Save the date for Carols by Candlight on the evening of Friday 13 December – and while you are there please drop off a cake/slice or plan on dropping in to the canteen to help out for a while. The P&C is catering for this event – we will need helpers on the night and will be calling on our dedicated band of home bakers to come up with some yummy Christmas treats to keep the audience fed. Watch this space for more information in the coming weeks.

Contact the P&C
The P&C email address is bcsparadc@gmail.com or you can always contact the President, Bidda Jones, directly on 4842 7189 or 0422 542175 or bidda@sharewater.net

CHILD DEVELOPMENT:

Developmental Tasks

Developmental Tasks are the broad “jobs” of childhood that need to be accomplished in each stage in order for children to learn life skills at the appropriate times. These tasks are essential for their emotional growth and increasing maturity. The degree to which parents support or thwart this process partly determines how emotionally healthy their children will be.

The tasks of one stage do not need to be completely mastered before a child begins the tasks of the next stage. However, the more he works on and masters a task in one stage, the more ready he will be to tackle the tasks that await him as he moves on to the next stage. There is a great deal of overlap as children continue to work on most tasks throughout childhood, even though there is usually one stage at which any one task is most prominent.

Why is knowing this important?

Knowing what tasks your child is working on can help you to parent in ways that are more rewarding for you and more supportive of them. You can help your children work through each stage they are in by modeling and teaching the skills that will help them to grow and successfully complete the particular tasks of their age.

Having this knowledge will help you to be more tolerant and patient and not take their behavior personally. For example, the following behaviors can be very difficult to manage if you don’t know the reasons behind your child’s actions: all the “no’s” and not sharing; the strict adherence to rules on one hand mixed with breaking rules at other times of school age children; the defiance, opposition and criticalness and peer focus of teens. Rather than blaming yourself or your children for behavior that may be frustrating yet developmentally driven, you can think about ways to respond that affirm them for practicing/mastering their developmental tasks and that help you to cope with these challenging norms. In this way, you will be more intentional about helping them to master the “jobs” of one stage so that they can be prepared to move on to the next stage.

The tasks of 6 – 11 year olds include:

- developing a sense of mastery and intellectual curiosity
- learning about rules and internalizing them
- developing responsibility
- learning many new skills, including social skills (especially same-sex peer relationships)
- selecting adult role models of the same sex
- continuing to learn how the world works
- increasing their independence
- enhancing their reasoning ability
- developing the capacity to cooperate

Six to eleven year olds also ask a lot of questions as they gather information about the world and how it works. They are very interested in rules and why they exist. They want people to obey rules even though they do not necessarily abide by them. They may test rules, disagree with them, break them or try to set them as they learn to internalize them. They use their more mature reasoning abilities to understand the values that underlie the rules and to differentiate between wants and needs. Along with exploration of rules and the beginnings of a cooperative spirit, games become prominent in their play. Six to eleven year olds are eager to learn new skills, including social skills.

As a parent of a six to eleven year old, you can support your child in accomplishing the tasks of this age by:

- offering a lot of encouragement for learning skills
- allowing, encouraging and helping them to finish tasks
- praising them for efforts and for trying to do things
- being a reliable source of information
- encouraging cause and effect thinking by imposing appropriate consequences, and following through with consequences you set. This will help children to see the results/impact of their behavior
- encouraging skill development by providing opportunities to pursue activities that reflect their interests, foster social interaction with peers, offer opportunities for exposure to role models other than their parents, and enhance their sense of mastery and accomplishment
- affirming efforts to do things in their own way
- teaching them to engage in problem solving exercises, to engage their thinking and their cooperation. It will also help them to deal with their feelings and the feelings of others, teach them to manage conflict and to see themselves as able to solve problems that they encounter in their lives
- setting and enforcing negotiable and non-negotiable rules
- promoting the separation of reality and fantasy by encouraging your children to report events accurately: (young children may lie or steal), without thinking their children are doomed to a life of crime, and without blame or humiliation, parents can kindly confront children when these things happen and help them to set the story straight or make amends
- giving them the opportunity to make decisions about things that affect them, to the degree that their judgment allows
- assigning chores to encourage development of a cooperative spirit, a sense of belonging and being needed in the family, and a sense of responsibility

Gundilllon Community Hall Christmas Party

Saturday 20th December 2014
Come along and join us as we celebrate this valued Christmas tradition. All members of our community are invited to attend and share in the family fun. The day starts at 1.30pm sharp, commencing with games for the children. Santa will be arriving at 4.00pm with presents for the children 10 years and under. A barbecue tea will be provided from 5.00pm onwards but we do ask each family to bring a plate (cakes, slices fruit etc) please.

Would you please advise Di Izzard by Monday, 1st December 2014 if names and ages of any children eligible for a present who will be attending? As usual we will run a raffle and have a few competitions for young and old. This is a great opportunity to celebrate with our community, catch up with friends and enjoy an afternoon of fun and laughter. Price of entry $6 per person, payable on the day at the gate.
