Principal’s News

Swimming Carnival
The BCS annual swimming carnival was a big success last Wednesday. The students attending were extremely well behaved and it was wonderful to see so many parents and community members turn up to cheer on our young people. A list of age group champions is provided further on in the newsletter.

P&C Meeting
The BCS P&C will meet on Wednesday February 12th at 7:00 pm in the library. High on the agenda will be a discussion on how best to keep our canteen viable. Currently it is making a loss. The canteen has always been seen as a service to the school and its community. Breaking even is the minimum outcome that can be sustained. At the moment the canteen is struggling to do so. Your views are important. Please attend if you are interested in putting your point of view.

Musical Auditions
Auditions will be held for the upcoming BCS musical on Wednesday February 12th. The school has a proud record of successful musicals and I am sure that amongst those auditioning new talent will be found.

Public Speaking Expert to Visit BCS
On Thursday February 13th and Friday February 14th Mr James Smith will be attending BCS to address students in workshops on public speaking. James is a talented public speaker who is offering his services free of charge. As I have commented many times, the ability to speak in public and debate are special skills and rare ones. Young people who develop such skills at school will have the benefit of them for the rest of their lives.

Meet the Teachers
On Friday February 14th a “Meet the Teachers” afternoon will be held for parents of K-6 children. Please take advantage of the opportunity to meet the teacher of your son/daughter/ward for 2014. It is a chance to discuss concerns and raise any issues that are of concern to you. The afternoon will begin at 3:30 pm.

BCS Swimming Carnival
This important event was held last Wednesday, 5th February, at the Braidwood Pool. It was a huge success where I counted 66 students who entered the pool for various events. Students who make the swimming squad will be published next week.

Eurobodalla District PSSA Swimming Carnival
This carnival is planned for Tuesday 18th February at Narooma Indoor Pool Complex. This carnival will go ahead no matter the weather conditions as the complex is totally undercover. Entry fee is $3.60 per competitor, spectators and parents are free of charge. More information will be sent home later this week.

Parent – Teacher Meeting This Friday 14th February
All parents are welcome to come and meet the teachers on an informal basis so the teachers can outline their plans for the year this Friday afternoon. Kindergarten to Year 2 will commence at 3.30 pm and Years 3 to Year 6 at 4.00 pm. A more detailed letter will be sent home later this week.

Braidwood Central School is a Uniformed School

Some of the reasons why we are encouraging students to wear school uniform:

- Improves safety of students
- Less peer pressure
- Develops school spirit
- More cost effective
- Enhances focus and thus improves academic performance
- Meets OHS requirements for practical classes

If you require assistance to access a school uniform please contact me at the school.

The school uniform shop is open before and after school each Wednesday. Orders are also taken via the front office.

Welcome to Amy Bolas
Our new Youth Worker. Amy’s primary role is supporting our High School students.

Amy will be at BCS on Tuesdays, Wednesdays and Thursdays.

**Swimming Carnival**

Last Wednesday, in weather only Braidwood could produce in mid-summer, we held our annual Swimming Carnival. It was great to see so many students, parents and supporters attend, participate in and enjoy the day despite the autumnal conditions. So many people helped in so many ways to make the day special; too numerous to name but always appreciated and valued for their contribution. Thank you all.

Congratulations to the **Secondary Age Division Champions** -

**Uni Discovery Day Excursion**

Last Tuesday 8 Year 12 students travelled to Wollongong for the Wollongong Uni Discovery Day. There was over 1000 students there from different schools, and its fair to say Braidwood was one of the smaller ones. We spoke to current Uni students, who shared their experiences and gave us many different ideas of what we can do in the future.

We all went to lectures with the students from other schools and met some fantastic new people. We had a tour of the Uni and it ranged from medical centres, sporting facilities and a library to chill out rooms with bean bags and Subway.

Wollongong Uni was a great place to go to and we all have some new and improved ideas of what we would like to do in the future. A massive thank you to Ms Parsons for organising the day and driving the bus, it was greatly appreciated!

Lunchtime Ideas Meetings for Secondary Students

All curious, thinking students are encouraged to come along to new lunchtime meetings to be held once a week where the big ideas that influence our society will be discussed. Julian Davies will be running the sessions but students will be encouraged to contribute and help choose topics for discussion. The history of thought is as old as human life but as new as each generation, so feel free to come along and take part. The first session was held at lunch last Tuesday. The room will be announced at assembly.

**Secondary School Sport**

Some events that have been scheduled this year are

- CHS Zone Swimming Carnival – Narooma, Wednesday 19th February
- CHS Regional Swimming Carnival – Dapto, Thursday 6th March
- School Cross Country – Wednesday 2nd April
- School Athletics Carnival – Wednesday 7th May
- Zone Cross Country – Wolumla, Friday 16th May
- CRL Small Schools Rugby League - Cooma, Thursday 22nd May
- Zone Athletics – Moruya, Friday 20th June

Please feel free to contact me if you have any questions or concerns with Sport.

**P&C News**

Meeting this week

The first P&C meeting of 2014 will be **this Wednesday 12 February at 7.00 pm** in the school library. The main topics for discussion will be:

- **P&C Canteen finances**
  Last year the Canteen ran at a loss as sales were down and food and running costs have increased. The P&C is considering a number of significant changes to the opening hours and menu to ensure that the Canteen remains viable while continuing to provide an essential service to the school community. If you would like to contribute to this discussion, please come along to Wednesday’s meeting. Thank you to all our regular volunteers and those who have recently joined the roster for donating their time to keeping the canteen running—without your help there would be no canteen at BCS.

- **Fundraising for national curriculum textbooks**
  The P&C’s fundraising target for this year is to raise $20,000 towards purchasing textbooks. The national curriculum is now underway, and will take 2 years to roll out across the school, but there are no extra funding to cover the need for new textbooks. We are open to any ideas you might have to help us reach our fundraising goal of $20,000.

New faces are always very welcome at P&C meetings, so please come along, hear about what’s going on at school, and join in the discussion.

**Sign designer or artist needed**

The P&C is still looking for a willing sign writer or artist who would like help us design and paint an **HUGE fundraising barometer sign** for the front of the school so people can track our effort to reach our textbook fundraising target. If you are handy with a paintbrush and have a few hours to help, please contact the P&C.

---

**Community Engagement Meeting**

This week also sees the first meeting of the year of our Community Engagement Working Group, in the School Library at **7.30pm on Thursday 13 February.** This term the WG is focusing on the topic ‘Connecting Learning at Home and School’. If you are interested in this topic and would like to join in the discussion, please contact the Community Liaison Officer, Simone Horn, at the school or just come along to the meeting. All members of the school community are welcome.

**Contact the P&C**

The P&C email address is bcs pandc@gmail.com or you can always contact the current President, Bidda Jones, directly on 4842 7189 or 0422 542175 or bidda@sharewater.net

P & C Canteen News

The Safari Pop (10 cent ice block) distributer has informed us that as of this week Safari pops will no longer be produced. As an alternate the supplier has offered us Polar Freeze Pop’s. They are double the size and will be sold from the canteen for 20 cents each. We still have a few boxes of Safari Pops in stock at the canteen, when they run out we will have Polar Freeze Pops for sale at lunch times.

The canteen need’s volunteers for Fridays. It isn’t a hard day, and the children love seeing a familiar face on the other side of the counter. If you have a spare 3 ½ hours this term please feel free to get in contact with Heather (Mon-wed) or Maureen (Thurs.-Fri) at the canteen 48422251 or call in and visit to see what it’s all about (9am-2pm). Don’t forget it’s a fun day, the children love seeing a familiar face and to say thank you we give you a small $5 gift voucher each day that you help out.

Thank you to all of our Volunteers for giving up your precious time. If for some reason you can’t do your canteen rostered day can you please Call Heather (Mon, Tue, Wed roster) on 48421793, Maureen (Thurs, Fri roster) on 48461147 or the canteen (Mon-Fri, 9am-2pm) on 48422251. Thank you from the Canteen Staff

MOBILE PHONE POLICY AND PERMISSION NOTE – 2014

Mobile Phones
For your information I have included below, the school policy for mobile phone and related technology use at school. This policy applies to all students in the school.

Students need to apply for a licence each year.
Please read through the policy with your child and complete the permission note attached and return it to school.

Policy for the Use of Mobile Phones, Portable Computer Games, MP3 Players/iPods, Cameras and Similar Devices in Schools by Students.

Introduction
There is a range of technology available today including mobile telephones, pagers, digital cameras, portable CD and MP3 players/iPods, personal digital assistants and other similar devices. All of these have the potential to be incorporated appropriately into lessons, opening exciting new approaches to learning. When students misuse these technologies they can be very disruptive to teaching and learning and in some cases cause harm.

Braidwood Central School acknowledges that students may need to be in possession of a mobile telephone at school for reasons relating to their safety in travelling to and from school.

Taking photographs or videos or using other applications while at school or engaged in school-related activities by students may only occur if there is a sound reason and the use is under teacher direction. Written parental permission is required if the phone is to be used in extenuating circumstance in class time. The note will need to explain why the phone is to be used.

Where students bring a mobile telephone, portable computer game, MP3 player/iPod, camera and similar devices to school:

Student Responsibilities

- The student must take full responsibility for these devices. The school or staff will not be responsible for their loss, theft or damage. Students who bring them to school do so at their own risk.

- Mobile phones brought to school must be registered. This requires reading of the policy by parents/caregivers and students and the agreement signed by both parties

- Students will use their mobile phone in a way, which reflects the core values being taught in schools, including the values of respect, responsibility, consideration, care, and fairness.

- **Students must not use their phones or MP3player/iPod in class or between lessons. During these times these devices must be switched off and be out of sight. Unless a phone application is to be used under the direction of the teacher.**

- Students must not use mobile telephones or other devices to threaten, bully, intimidate or otherwise harass other people through any SMS or text message, photographic, video or other data transfer system available on the telephone or for any illegal activity. Such activities may incur disciplinary action including suspension.
- Under no circumstances will inappropriate use of mobile telephones with cameras be tolerated. Students found to be using any camera contrary to this acceptable use policy will be dealt with under the school discipline policy. Disciplinary action will be taken in all cases.

**Improper use of mobile telephones or other electronic devices may result in:**

- Confiscation of the mobile phone or other electronic device until the end of the school day. The student is then to report to the Deputy Principal at 3.14pm to collect the device. The student will receive a formal warning. Further breaches will result in an appropriate disciplinary action being taken.

- The student being required to hand in their mobile telephone or other electronic device at the beginning of the school day for collection when the student goes home.

- Confiscation of the mobile telephone or other electronic device until such time as their parent or caregiver is able to attend school to collect the device.

- Other disciplinary action in cases where students have bullied or threatened or harassed other students or staff via the mobile telephone or other personal communication device or where the device has been used to take photographs or display inappropriate material.

**Emergency Contact**

- If a parent or caregiver needs to contact a student at school as a result of an emergency, they are able to call the school’s main office and a message will be sent immediately to the student.

- If a student needs to make emergency contact with anyone they can do so through the school’s main office.

- Volunteers
- Canteen
- Coaching and player requirements
- Palerang United sub-committee opening up in Bungendore for 5-8yr olds
- A Q and A session for those of you who need further info regarding anything else to do with the club. Remember the only silly question is the one that is not asked so please attend this meeting so we can help you understand what is required of you as a parent, player or budding committee member.

If you require further details before the meeting please contact Mark Roberts on 0428475074.

End Of Season Meeting and AGM

An end of season meeting and the AGM will be held as follows:
- Saturday 8th March
- 7pm
- Braidwood Servicemen’s Club

All committee positions are vacant and I encourage all to get involved and help where they can. For many years now the majority of work has been taken on by a few. This is unsustainable. I will send out a list of committee roles and responsibilities in the next few days for people to consider. Please please please consider taking a role with the club.

Thanks,
Chris Lang
