Principal’s News

Peter Pan
Our Primary staff and students have worked very hard to produce “Peter Pan and Wendy” to entertain members of the BCS school community. The play will be showing at 6:30 pm in the small hall on Thursday April 3rd and at 2:30 pm on Saturday April 5th at the same venue. I would like to indicate my appreciation of the dedication and work of Mrs Mary Appleby, Mr Ross Waples and Ms Elisa Bryant without whom the production could not have taken place.

Impromptu Speaking Day
Ten students will be taking part in an impromptu speaking workshop led by Mr Julian Davies. This is a great opportunity for students to hone their skills in this important area of public speaking. I would like to thank Mr Davies for his ongoing interest and input into this area of the curriculum.

Primary Public Speaking Evening
Years 3-6 will provide 20 speakers for the Primary Public Speaking Evening. The event will be held in the school library on Tuesday April 1st between 6:30 and 8:30. This is a wonderful opportunity for our young folk to begin to hone public speaking skills that will be a benefit to them throughout their lives. I am sure everyone will have a great evening.

Raiders Revisit
The Canberra Raiders will continue their clinic for boys in Years 7&8 on Tuesday April 1st. There visits are looked forward to by the students and the skills they have learned will assist them to play better Rugby League.

Secondary Cross Country
The secondary school will hold its cross country on Wednesday April 2nd. This an annual event and a lot of fun. I am sure that everyone will enjoy the challenge.

Year 12 Half Yearly Exams
These begin on Thursday April 3rd and run into the final week of term. The exams will be held in the mezzanine in the Gymnasium. Students already have copies of their timetable. Please be prompt to your exams and be sure to follow the instructions given.

Dragon Boats
A group of BCS students will kick off Youth Week by travelling to Canberra to engage in dragon boat racing. The group will paddle to the National Museum and spend some time there. They will then travel back to their starting point. More on Youth Week Celebrations next week.

P&C Easter Egg Guessing Competition
SRC will be taking guesses during recess and lunch times
Gold coin donation to have a guess
Deputy News

Braidwood Central School is a Uniformed School

Some of the reasons why we are encouraging students to wear school uniform:

- Improves safety of students
- Less peer pressure
- Develops school spirit
- More cost effective
- Enhances focus and thus improves academic performance
- Meets OHS requirements for practical classes

If you require assistance to access a school uniform please contact me at the school.

The school uniform shop is open before and after school each Wednesday. Orders are also taken via the front office.

Peter Neilsen
Deputy Principal

National Assessment Program – Literacy and Numeracy 2014

In May 2014 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by students in Years 3, 5, 7 and 9. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy skills of students across Australian schools.

The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child’s level of achievement. Each student’s level of achievement will be reported against the national minimum standard.

Background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student’s right to privacy is maintained.

The NAPLAN tests will be conducted from 13 - 15 May 2014.

<tr>
<td>Numeracy (Number, Algebra, function and pattern; Chance and data; Measurement and Space)</td>
</tr>
</tbody>
</table>

In the Numeracy tests students do not require any measuring tools such as rulers or protractors. In Years 7 and 9 there will be two Numeracy tests: one where a calculator is allowed and one where calculators are not to be used. For the calculator test, the student should use the calculator that they currently use at school.

In 2014, as in previous years, the Writing task will be a single common task for all students. The 2014 Writing test will require students to respond to either a persuasive or narrative Writing prompt. However, the genre of the prompt will not be disclosed prior to the test period.

Wherever possible, schools will organise for individual
students who are absent at the time of testing to complete missed tests at another time during testing week. Individual students are not permitted to sit tests after Friday 16 May 2014.

Students may be considered for exemption from the tests if:

- they are newly arrived in Australia (less than one year before the test) and with a language background other than English, or
- they have significant intellectual disability and/or significant co-existing conditions which severely limit their capacity to participate in the tests.

All other students are expected to participate in the tests. Disability adjustments which reflect the student’s normal level of support in the classroom may be provided. Large print, Braille, coloured paper versions and electronic tests are available to meet the needs of individual students.

Access to disability adjustment or exemption from the tests must be discussed with the school Principal and a parent or carer consent form must be signed. Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents in consultation with the Principal. If you wish to withdraw your child from the tests, a parent or carer consent form must be signed.

Please make an appointment with the Principal of the school your child attends if you would like to discuss your child’s participation in NAPLAN. Additional information about NAPLAN can be found at www.nap.edu.au/NAPLAN/Parent_Carer_support/index.html.

Primary News

Student of the Week

Our Students of the Week (one from each class) are chosen by the Assistant Principals, Mr Clarke and Mrs Davis. These award cards also count towards the students’ Bronze, Silver and Gold awards. They nominate students who consistently display our PBS values of consideration, achievement, responsibility and enthusiasm. Congratulations to these students:

Peaches: Mia Stanley
Apples: Zac Henness Flood Smith
Kidmans: Dakota Bunn
Scarecrows: Ryan Clarke
Yabbies: Maxyne Prothero

Clydesdales: Ananta Bajracharya
Drovers: Jasmine Potter
Breakfast Club: Tayla Percy and Kane Neate

Assembly

Our next assembly for 2014 will be held on Thursday 3rd April at 11.30am. Many weekly and special awards are presented at our assemblies. Everyone is welcome and the children love to have someone in the audience, especially when their class is performing.

Easter Raffle

Thank you to those parents who have already donated Easter eggs and other goodies for our Easter raffle. Please remember to send something in to help make this raffle really successful. The more donations we receive the more prizes we will have. If you have any unused baskets at home that you would also like to donate we would be very grateful. There will be a prize for the family which sells the most number of raffle tickets so don’t forget to pick up some more tickets from the front office. Tickets will also be available for purchase at the performance of Peter Pan.

Easter Hat Parade

Parents of Primary students should already have received a separate note about our Easter Hat Parade which is being run differently this year. We are asking that students create an Easter hat at home and bring it to school on or before Thursday 10th April. We are adopting this change because we are undertaking Improving Numeracy National Partnership training and need to ensure that valuable time is not taken away from the numeracy programs being implemented in all classrooms.

Please remember that the hats do not need to be elaborate and should be practical so that the students can wear them comfortably while they parade. There will be a participation prize for all students who wear a hat in the parade.

All parents and carers are invited to attend this exciting event and we look forward to seeing you there.

Uniforms

We are really pleased to see almost all of our students wearing their full school uniforms every day. Hats continue to be a problem though as they seem to be easily lost, left in the classrooms or left at home. Please ensure that your children have their hats each morning and that they are very clearly marked with their name. Our school policy is that all students wear a sun-safe hat during all outside activities including recess and lunch breaks, daily fitness, PE and sport sessions. This policy is
for terms One and Four and is adhered to even on overcast days.

Jewellery at school
Please ensure that your Primary students do not wear jewellery to school. Stud or sleeper earrings, a watch and a religious necklace can be worn, but all other jewellery should be kept at home. This is a safety issue as jewellery can cause injury in the playground and it also ensures that valuable and sentimental pieces of jewellery are not lost, broken or stolen. Please remind your children about this policy to help us avoid these problems.

Advanced notice for Term Two
Please note that all Year Three, Four, Five and Six students will be invited to attend a performance of The 13 Storey Treehouse at the Canberra Theatre Centre on Friday 16th May. Kindergarten, Year One and Year Two students will be invited to attend a performance of Mr McGee and the Biting Flea on Friday 27th June 2014. The cost of these excursions will be kept to a minimum due to the support of the P&C, but parents will need to contribute approximately $15 per student to cover the cost of the tickets and bus.

The Life Education Van will be visiting our school in Term 2 from Tuesday 24th June until Thursday 26th June. All classes will visit the van with their teachers to take part in stage appropriate modules presented by a trained educator. Topics covered can include things such as: healthy lifestyle, safety, cyber safety, decision making, peer pressure, emotions, problem solving and coping strategies. The cost per student will be $10.00 which includes the Life Education session, a student work book and a sticker.

Further details and the total cost will be sent home on separate notes next term closer to the dates. To make things easier for parents these events can be paid for in advance or paid in weekly/fortnightly instalments at the front office.

Uniform awards
It is wonderful to see almost all Primary students wearing correct school uniform every day, including their sun-safe hats. Congratulations to last week’s uniform prize winners: Sebastian Deo, Annabel Flack, Oscar Stuart-Camenzuli and Jade Bunn.

Wendy Davis
Relieving Assistant Principal

Primary Public Speaking
Our students in Years 3 to 6 have recently completed their speeches for this year. It has been wonderful to see the effort and thought put into this task by many of the children. The twenty most hard-working and enthusiastic among them, with the best developed speeches, have been selected to present their work at the annual Speak Out evening, next Tuesday, the 1st of April.

The Students chosen to give their speeches are:
Years 3/4:
Imogen Dixon, Sam Watson, Emily Shae, Bonnie Park, Olivia Faulks, Maddie Nelson, Robbie Watson, Wyatt Marven and Maxyne Prothero.

Years 5/6:
Tess Gurling, Alyssa Bollard, Cate Shae, Gus Munnings, Maxx Bigg, Annabelle Flack, Jacob Kiff, Eli Mann, Tashani Davidson-Fuller, Lyndsey Mendham and Jasmine Potter.

The evening commences at 6.00pm in the School Library. Parents and the members of the community are very welcome to attend and hear the lively thoughts of our talented young people. Elisa Bryant will offer constructive feedback to the participants on the evening. Next term all these participating students will be given training in impromptu speaking.

Off-the-cuff speaking counts equally with prepared speeches in the Department of Education competitions. Following both events, feedback will be given to everyone participating before two students from each of the two age-groups are chosen to represent Braidwood Central at the local region finals. While only four students can travel away to compete each year, we seek to develop these skills in as many children as possible.

Primary Debating
A preparation session will be held before the end of term for all students in Years 5 and 6 wanting to volunteer for debating. Training will begin in earnest next term. For information, please feel free to contact our debating tutor, Julian Davies, on 48427189. Debating develops skills that are valuable in all other areas of higher-order thinking, as well as offering the chance for broadening interaction with students from other schools.

Julian Davies
Public Speaking Co-ordinator

Primary Cooking
This Thursday Ms Mahoneys class the yabbies will be making rice paper rolls. Students could bring along any of these ingredients; cucumber, capsicum, carrot, advacado, mint, coriander or make a $1 contribution

Kelly Baumann
Secondary News

Secondary Public Speaking and Debating
Writing a speech for students in Years 7 to 10 is an assessment task during Term 1. Beyond this, the most able and enthusiastic among them are encouraged to volunteer to present their speeches in public next Monday, the 7th of April, at our annual public speaking evening, Radical Leaders.

The event takes place in the School Library, commencing at 6.00pm. Parents and the members of the community are very welcome to attend and hear the lively thoughts of our talented young people. Kristy Moyle will offer constructive feedback to the participants on the evening.

This Monday, the 31st of March, there is also a special training day for impromptu speaking skills for our public speakers. Off-the-cuff speaking counts equally with prepared speeches in the Department of Education competitions. Following both events, feedback will be given to everyone participating before two students from each of the two age-groups are chosen to represent Braidwood Central at the local region finals. While only four students can travel away to compete each year, we seek to develop these skills in as many children as possible.

Debating training for Years 7 to 10 is about to get underway. For any interested students who have yet to become involved and try this valuable skill, there is a meeting for all debaters in Room 16 this Tuesday, the 1st of April, during lunch. For information, please feel free to contact our debating tutor, Julian Davies, on 48427189. Debating develops skills that are important in all other areas of higher order thinking, as well as offering the chance for broadening interaction with students from other schools.

Julian Davies
Public speaking Co-ordinator

Uniform
If you have uniforms that no longer fit your children, we can find them a good home here at school. Donated uniforms are used to provide students with clothes when their own clothing becomes damaged or when they arrive at school without appropriate uniform for the day. Clothing of all sizes and uniform types is required to assist in keeping all of our students comfortably and appropriately attired. We are happy to accept clothing without school logos; as long as clothing is in correct uniform colours and in a good condition, we will be able to find a use for it. Please send any items that you no longer require to the school via the front office. Thanks you for your assistance.

Vanessa Willetts

Radical Leaders Speaking Evening
We invite all parents and friends to attend our annual secondary speaking evening “Radical Leaders” on Monday 7th April, 6pm in the school library. The evening will show case the tremendous speaking skills of our students in years 7 to 10. Speeches range from an exploration of the media to a satirical look at current events. It is a highly entertaining and rewarding experience to listen to the opinions of our future leaders. This year the event also coincides with Youth Week, the theme of which is “Our Voices, Our Impact” – a very fitting description of our speakers and the effect that they have in the broader community. We hope that you will be able to join us for this special evening. Please contact the school if you require more information.

Vanessa Willetts

Year 12 Cooking
After a visit to our wonderful Braidwood butchery for a case study on a local good industry, year 12 students were inspired to make some pies. Here are some of their results

A big thank you to Mick Clarke for taking time out of his busy day last week, to share his work space, skills and knowledge with our Year 12 students.
Nikea Cuevas poached pears to beautifully compliment her molten chocolate puddings. Tasted even better than it looks!

Food Technology Teacher

**Community News**

**Heritage Day Parade - Expression of Interest**

The school is planning to be an active participant in the Heritage Day Parade on Saturday 3rd May and we would like to ask any parents/carers and community members who might be able to assist in preparations for the day to contact Simone Horn, Community Liaison Officer, at the school. The parade is especially important this year, as it celebrates Braidwood’s 175th birthday, so if you can help out in any way we'd really love to hear from you - whether it be contributing some of your creative ideas, sewing some costumes, preparing a float or helping organise students on the day.

Simone Horn
Community Liaison Officer
Tuesday and Friday

**P&C News**

**Catering for Peter Pan**

The P&C is catering for both performances of the Primary musical Peter Pan, on Thursday 3rd April at 6.30pm and Saturday 5th of April at 2.30pm. Please remember to drop off your donations of cakes, slices and savoury items at the canteen on Thursday or Friday this week. Thanks to those who have already volunteered to help prepare and serve at each performance. If you can help out, please get in touch at the contact details below.

---

**Wood donations needed!**

The P&C has booked two wood raffle stalls for next term, on Friday 30th May and Friday 13th June. We need donations of a load of wood for each day – all funds raised will go towards our Text Book Fund. If you are able to help out, please contact Amanda Flack on 0417 422 650 or [ma.flack@bigpond.com](mailto:ma.flack@bigpond.com)

**Do you work for Telstra?**

If someone in your immediate family works for Telstra, then you may be able to help the P&C access Telstra funding as there are grants available for schools associated with Telstra employees. So, if you work for Telstra, or live with someone who does, and are willing to provide your details to assist in a grant application, please let us know.

**Contact the P&C**

The P&C email address is [bcspandc@gmail.com](mailto:bcspandc@gmail.com) or you can always contact the President, Bidda Jones, directly on 4842 7189 or 0422 542175 or [bidda@sharewater.net](mailto:bidda@sharewater.net)
2014 International Competitions and Assessment For Schools (ICAS)

ICAS is a highly regarded assessment program for schools in computing skills, English, Mathematics, Science, Spelling and Writing which enables schools to identify students levels of academic performance.

Schools and students receive comprehensive hard copy and online reports on their students’ performance in each subject. Students also receive a certificate to recognise their achievement. More information is available at www.eaa.unsw.edu.au/icas/about.

Please complete the following registration form and return to the school Front Office with CASH ONLY payment by recess Friday 11th March.

Please tick the right hand box to indicate enrolment into test. Please provide correct payment in cash to the Braidwood Central School Front Office by Friday 11th March.

NB – if there is less than 3 students participating in each test there will be a higher fee payable – you will be contacted if the rare chance that this happens.
Braidwood Central School

Girl’s night in

On Thursday 27th March Braidwood Central School hosted a Girls night in for 32 students from years 6, 7 and 8. The experience began with a wonderfully soothing yoga session run by Beth Ross who gave the girls strategies for relaxation and self-reflection. For many of the girls this was their first yoga experience and was enjoyed so much it could potentially lead to a more regular activity.

The girls prepared and cooked their own dinner as a group and discussed healthy food choices before getting into the evenings activities. Veterinarian Dr. Jayne Weller travelled from her exotic clinic in Sydney to deliver an inspiring keynote address based on persistence. She discussed issues around bullying, setting goals, going after your dreams and being happy. Jayne shared her experiences of working in Nepal to save Snow Leopards and caring for day old monkeys in Africa.

Her presentation mesmerised the girls and led to many excellent questions and topics for discussion. It was great to see the older girls really take a lead and an interest to support and encourage the younger participants on the night. It was then movie time! The girls settled in to watch ‘Never been kissed’ a film based on social issues faced by our students today. Fitting in, social groups, bullying, relationships, morals and decision making were all issues that were raised and discussed as a result of watching this film together.

Lights out and a good night’s sleep on the library floor saw the girls up early for breakfast and preparation for Friday classes. I have received many comments and much gratitude from the participants and their parents about this wonderful experience. On behalf of the girls, thank you to supervising staff Vanessa Willetts, Elisa Bryant, Emma Munnings, Amy Bolas and Monique Wicks. Many thanks to Beth Ross, Dr. Jayne Weller and Kristy Moyle, who also gave freely of their time to make this wonderful experience possible.

Braidwood Central School offers many extra-curricular activities to support our kids to grow up as well balanced and informed individuals, to find out more or to get involved please do not hesitate to contact me directly on 4842 2249.

Hi everyone and welcome to our fundraising page to improve the lives of those living with Type 1 Diabetes. Please support Juvenile Diabetes Research Foundation by donating to our fundraising web page link above and below.

Angus, who has lived with Type 1 Diabetes since 2005, will skydive alongside his dad, Michael, who took part last year’s Jump to Cure Diabetes challenge.

By helping us raise funds, you are helping the Juvenile Diabetes Research Foundation support vital research to cure, treat and prevent Type 1 Diabetes.

Thank you and we hope you can follow our journey to the Canberra Jump to Cure Diabetes skydive on Saturday, April 5, 2014.

Thanks, Michael and Angus.
